Special Chapter 8

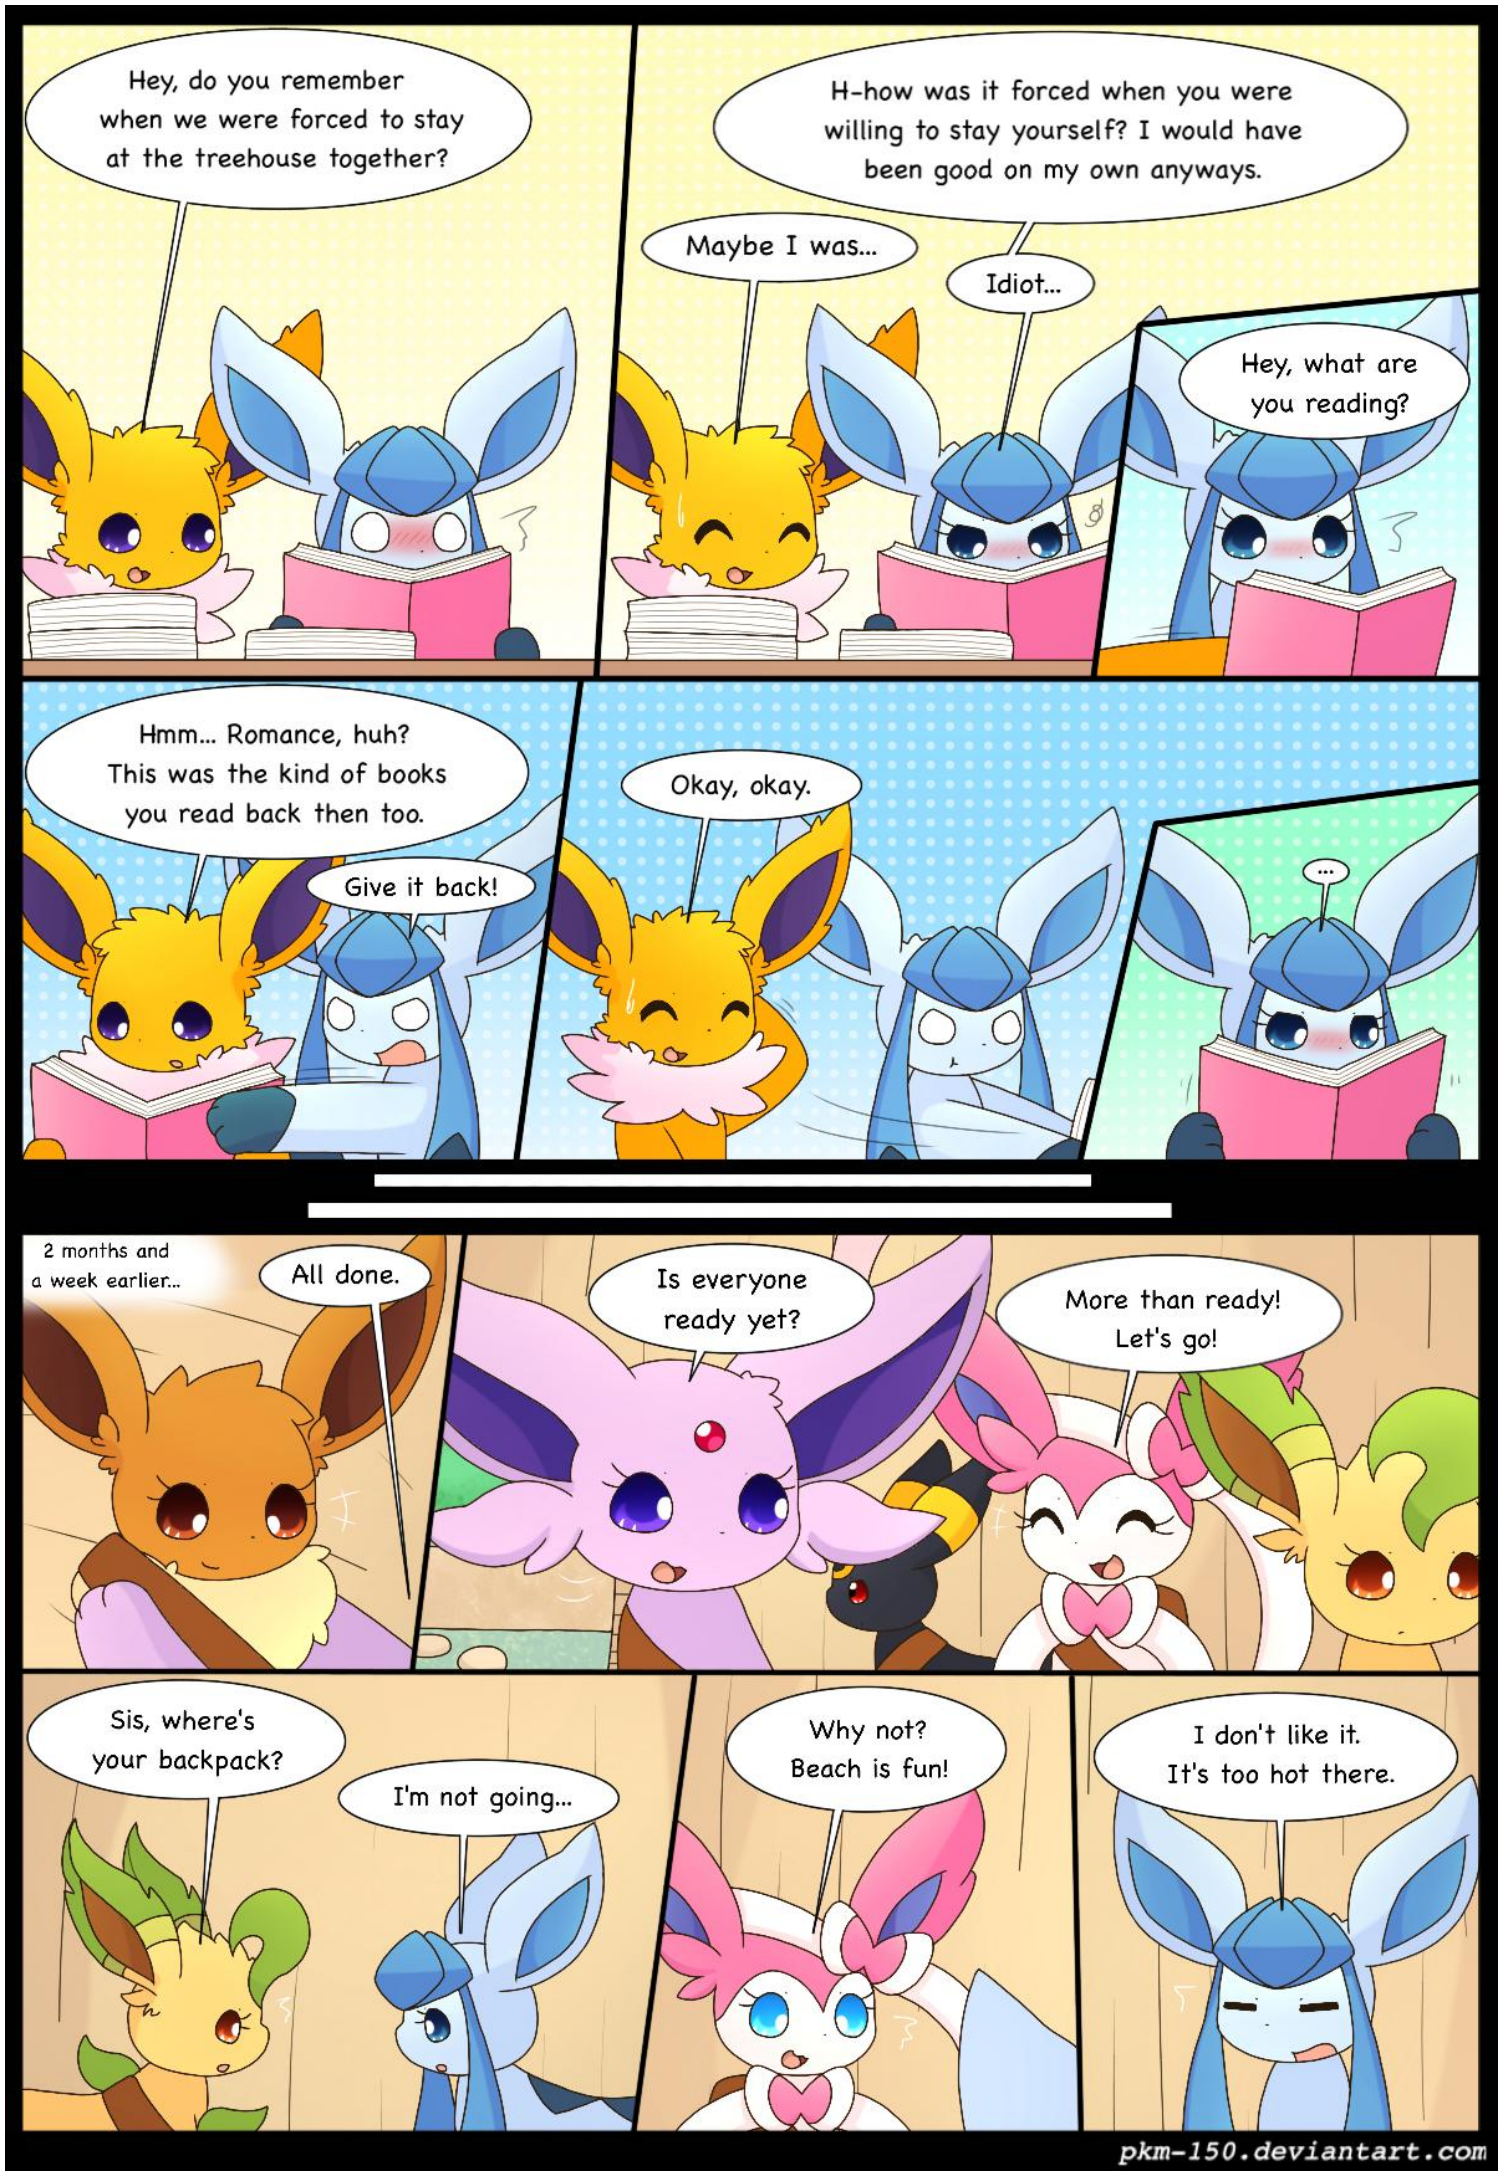
Alone Together

pkm-150.deviantart.com

Put it there.
Done.
Pearl, where's that cute little snow girl?
Yeah, where's female Frank?
Brian!
Very funny.
She said she wanted to stay in the house. That's all.
I see. Ice-types are very sensitive to heat after all.
You're sensitive to heat too.
Doesn't matter.
Sometimes I don't get what I saw in you...
Didn't stop you from marrying him~
Well, I...
Sis, stop teasing me!
What? I didn't even tease you.
Teehee.
I'll go check on Glacy now.

pkm-150.deviantart.com

pkm-150.deviantart.com



Hey, do you remember when we were forced to stay at the treehouse together?
H-how was it forced when you were willing to stay yourself? I would have been good on my own anyways.
Maybe I was...
Idiot...
Hey, what are you reading?
Hmm... Romance, huh? This was the kind of books you read back then too.
Give it back!
Okay, okay.
...
2 months and a week earlier...
All done.
Is everyone ready yet?
More than ready! Let's go!
Sis, where's your backpack?
I'm not going...
Why not? Beach is fun!
I don't like it. It's too hot there.
pkm-150.deviantart.com

Okay... but it would be nice if you come along...
Sorry, Leafy. I may not be there with you, but I'm sure you'll have a great time.
Okay.
Are you sure you don't want to go?
I'm sure.
sigh I guess I'll stay behind as well.
Hold on, WHAT?!
Heck no, there's no way I'll be stuck here with you!
Not like you have a choice. Besides, who'll look after you? Last time we left you alone at home, you got stuck in the refrigerator for some reason.
Hey, I wasn't stuck at all!
Oh, so you admit you were sleeping in it then?
Why you?!
You two, that's enough!
pkm-150.deviantart.com

Jolteon will stay and watch over you. Besides, two is better than one. You two can look after each other when necessary.
Okay, fine.
Ow...
Hey, do you always have to be so mean?!
Well, you asked for it!
Not again...
Come on, don't be like that.
You might even like being together. Even if you don't, it won't be forever. It's just a day.
Hmph.
We should get going now.
You're right.
D-- Big brother, you're not coming?
Sorry, Eevee. Maybe next time.
B-but...
pkm-150.deviantart.com

Don't be like that. I want you to have fun at the beach. I'm sure it'll be great fun for you.
A-aye.
Good girl.
Espeon, please take good care of her.
I will, don't worry.
And you two, have fun as well.
Okay, big bro.
Aw... I planned to grab you by the legs, and drag you to the water as soon as we got to the beach. Looks like my plan is ruined...
What was that?
N-nothing! Have fun staying home!
We'll see you later. Bye.
Bye, sis. Jolteon, please look after my sister for me.
You can count on me!
Looks like it's just the two of us now.
I'm going to my room...
This is stupid...

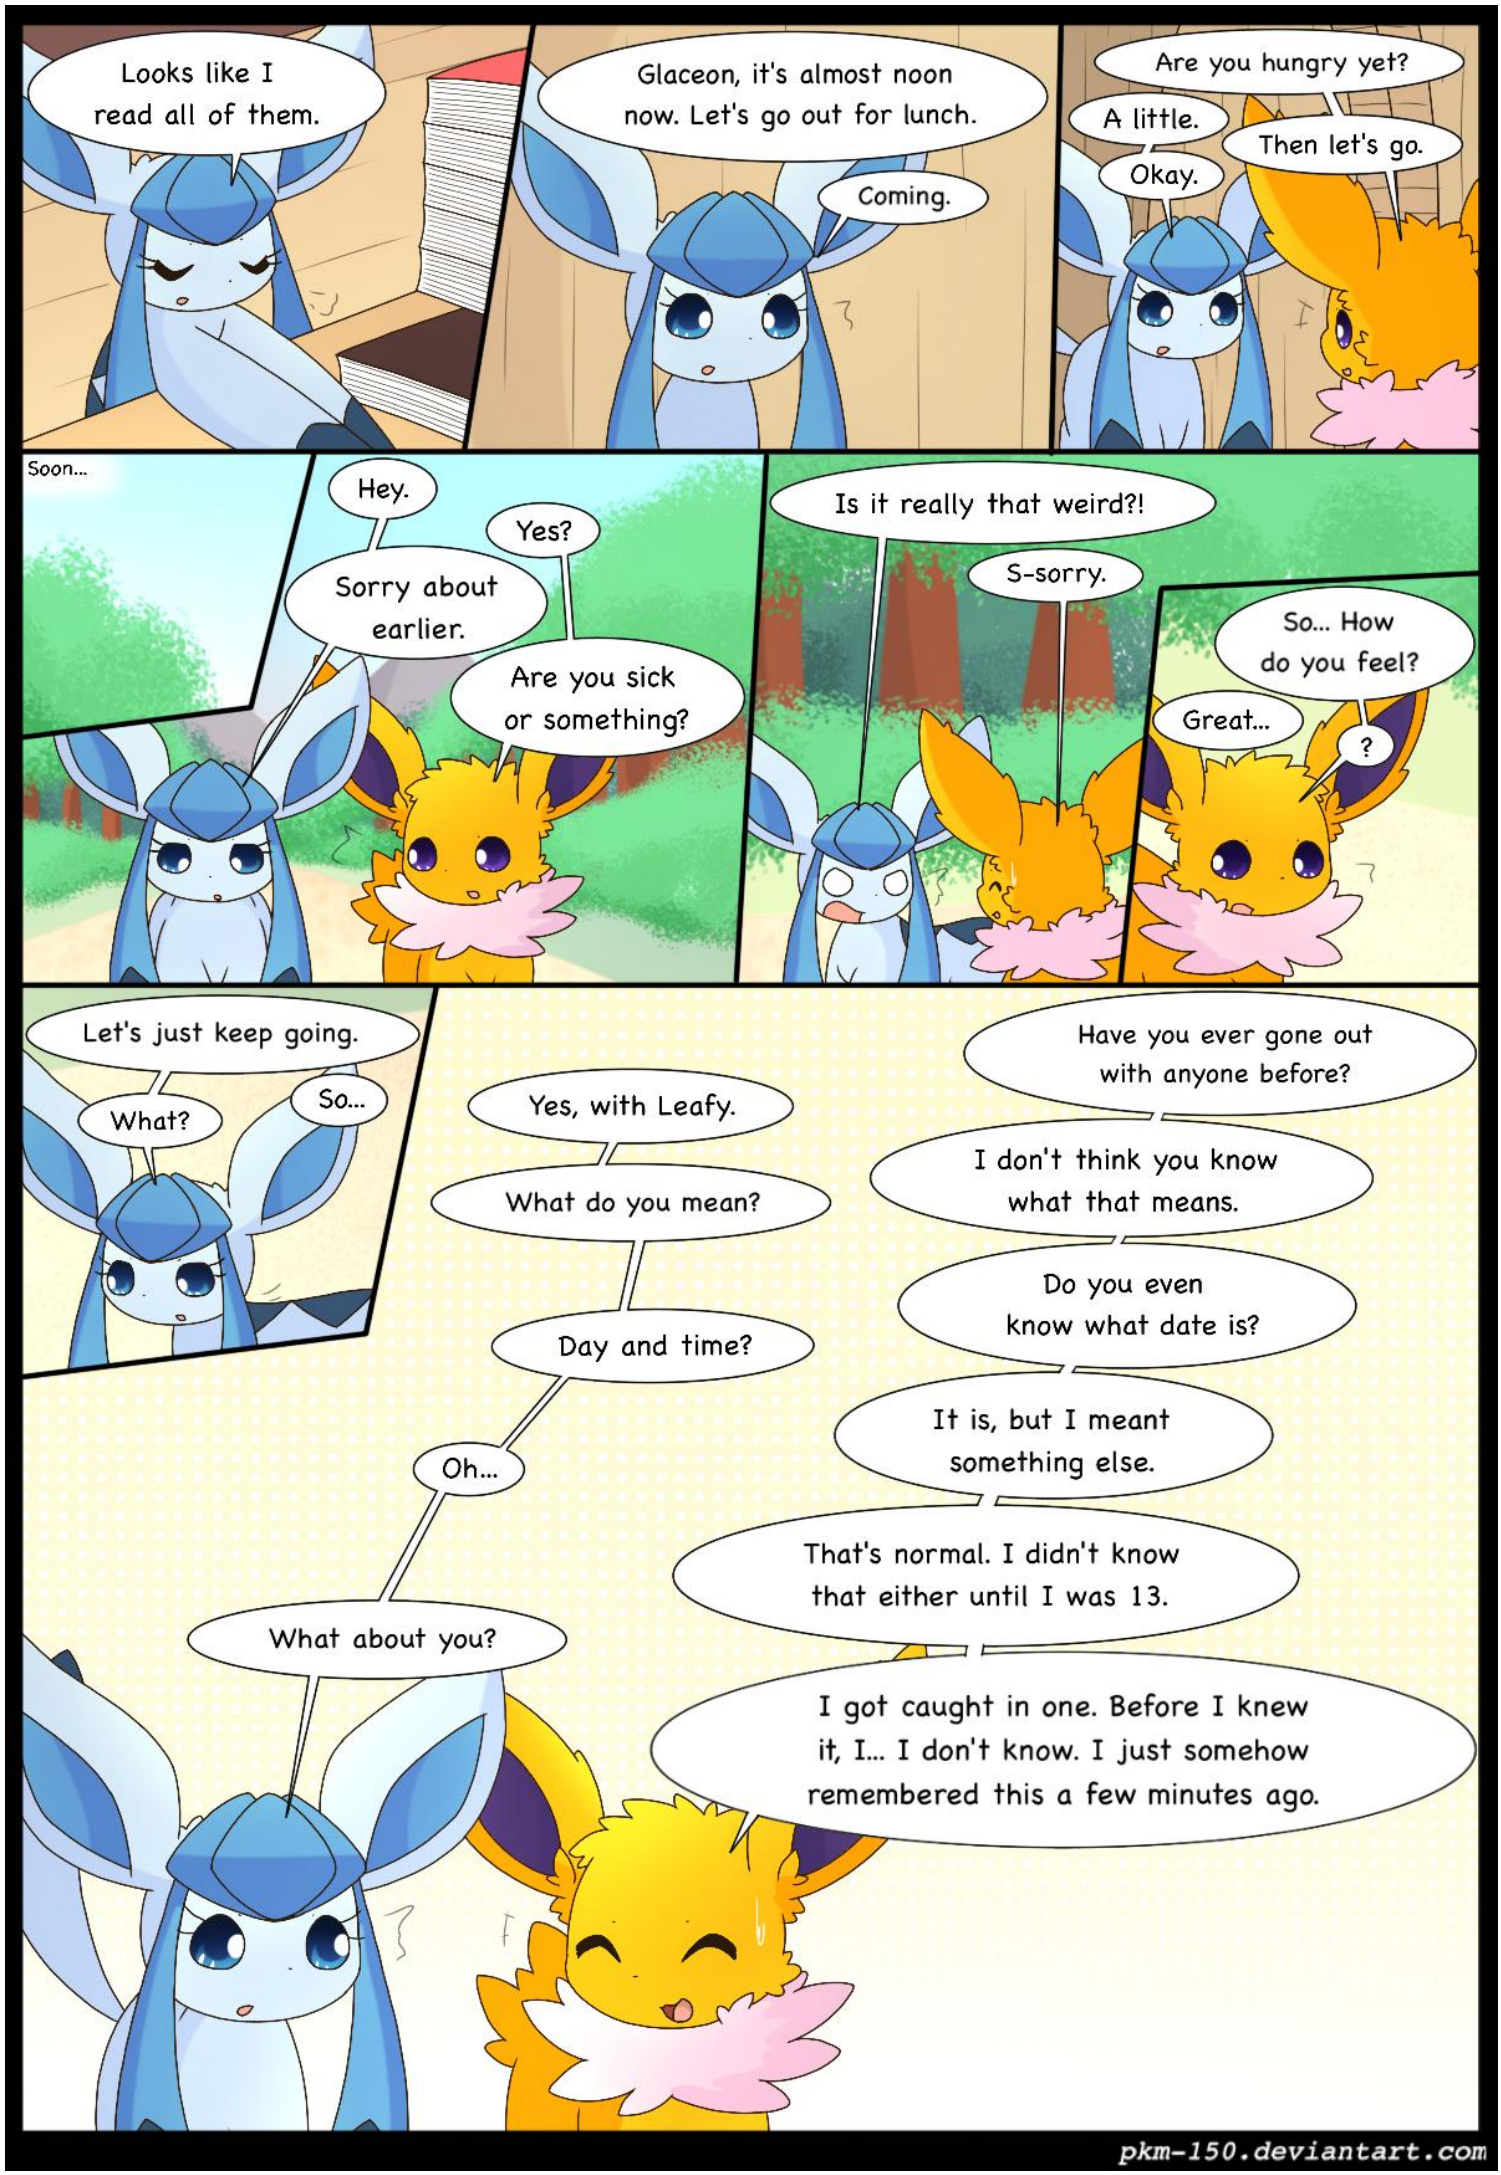
pkm-150.deviantart.com

I'm fine by myself, but no. Now I'm stuck here with that idiot...
sigh
Oh well...
Teehee. Now I can continue my story~
Let's see... Where did I leave off?
knock
knock
knock
What is it now?
What do you want?
I just checked the fridge. There wasn't much food left so... Wanna go out for lunch today?
Anything is fine! Just leave me alone until then.
Yeah, yeah.
Okay, so we'll go out for lunch in the afternoon.
sigh
knock
knock
What?!
Just want to say if you need anything, you can call for me.
Yeah, yeah, I know. You don't have to be so overprotective so sudden.
Of course, I have to. I'm doing this for someone I love--
Love? Who?
Um... What are you talking about?

pkm-150.deviantart.com

Don't play dumb with me!
What?
What do you mean what?!
Look, missy. Just calm down.
Missy?
Is something wrong with that?
You've been really annoying today...
Same goes for you.
Ouch...
Jeez, you're as nasty as always.
Come again...?
N-nothing.
Okay... I'll leave you alone for now. I'll come again at lunchtime.
You'd better.
I thought he'd never leave...
Love, huh...? Who did he refer to?
What am I thinking? Even if he was really talking about me, there's no way I would love him back!
Idiot...
Later...
sigh

pkm-150.deviantart.com



Looks like I read all of them.
Glaceon, it's almost noon now. Let's go out for lunch.
Coming.
Are you hungry yet?
A little.
Okay.
Then let's go.
Soon...
Hey.
Yes?
Sorry about earlier.
Are you sick or something?
Is it really that weird?!
S-sorry.
So... How do you feel?
Great...
?
Let's just keep going.
What?
So...
Yes, with Leafy.
What do you mean?
Day and time?
Oh...
What about you?
Have you ever gone out with anyone before?
I don't think you know what that means.
Do you even know what date is?
It is, but I meant something else.
That's normal. I didn't know that either until I was 13.
I got caught in one. Before I knew it, I... I don't know. I just somehow remembered this a few minutes ago.

pkm-150.deviantart.com

You still haven't explained what a date is...
Oh, it's just a boy and a girl going out to have some fun together like going to a park or something.
I need to start reading books that have that word... Wait, who was the girl you were with?
Now that I think about it... She was pretty cute, no, super cute. She often called me her boyfriend though I've never thought of her as my girlfriend.
Why not? She's a girl and she's your friend, right?
I don't think you know what that is either.
What? Of course I know what girl friend is.
I was talking about girlfriend, not girl friend.
They're both the same.
Say... If I say "I love you" to you, how would you respond?
I hate you.
Exactly, except I would never say that to her.
As much as I hate to admit, she was too cute for me. Sometimes I enjoyed being hugged by her--
?!
Later...
pkm-150.deviantart.com

Hey.
Where are we going to eat anyways?
Yes?
You'll see. It's my favorite place.
Hi, pops. It's been awhile.
Welcome. You just came here yesterday however.
It still feels like a long time ago.
What would you like to order?
Same as always.
One rice and curry. Got it.
And you, young lady?
Hmm... I'll take... fried rice.
Any drink you would like to order?
Just water.
I'll take lemonade.
Very well.
So you come here all the time?
Yup. Well, for the past 3 months. I haven't been here for the last 2 years, but I've known this place since I was 10. It's all thanks to my best friend for bringing me here.
You have friends?
I find that insulting...
No, I mean seriously you seem like a lonely kind of guy.
No, I'm not.
Where were you from anyway?
Greenhills.
Eh?
Greenhills forest? You know, the forest we went through earlier.
Oh, that was its name?
Now it's my turn, where were you from?
I don't want to talk about it...

pkm-150.deviantart.com

Why not?
I said I don't want to!
Okay, okay, I'm sorry.
Why does he think I need to answer him..?
...
Is anything wrong...?
I-It's nothing, just was thinking a-about s-something!
?
pkm-150.deviantart.com

Later...
That was really good.
Told you.
Are we going back to the treehouse now?
I was going to, but... I heard you ran out of books so... let's go to the bookstore then. Maybe get some ice cream on our way home. I'd like to have some dessert after meals.
Really?
I mean are you sure about this?
Positive.
Then what are we waiting for? Let's go!
Wait up!
Later...
Hmm...
Already read those. What else are new?
?
Whoa! I've never thought there're comic books about that game!
What game?
This! Super Mecha Warrior Z!
Oh...
Lame.
Hey, it's not lame! It's awesome!
Whatever. I'll check over there.

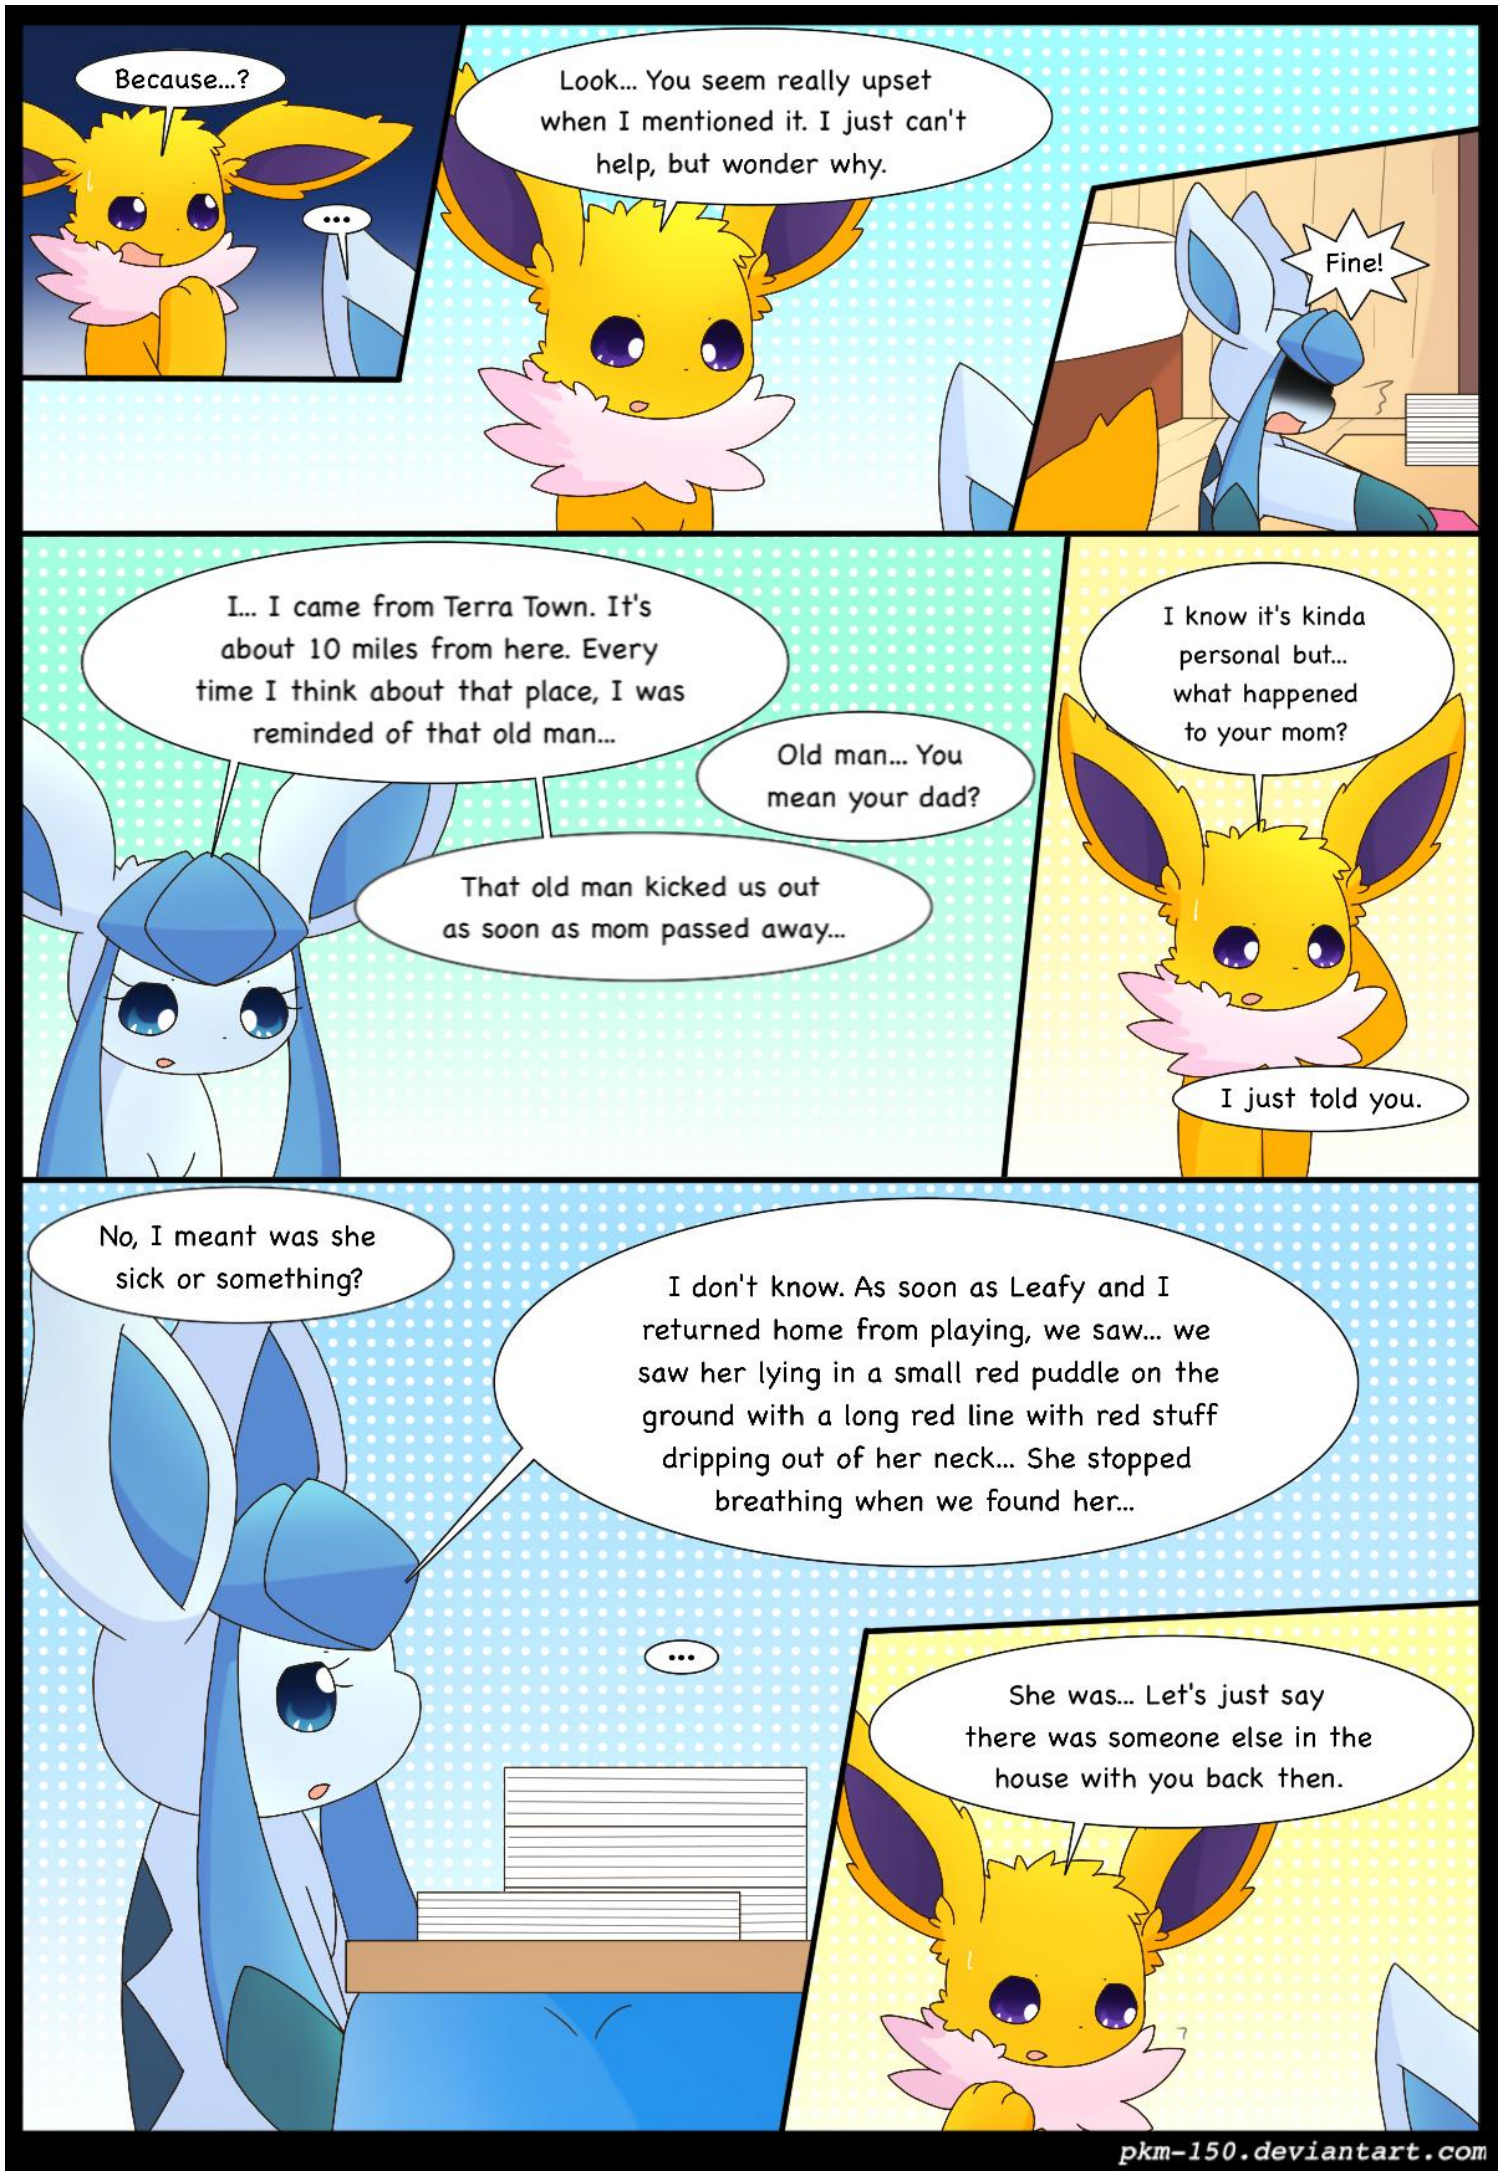
pkm-150.deviantart.com

Later...
Here you go.
Thank you~
That's a lot of books.
Hey, I only bought 5 books. Normally, I buy around 10.
Okay, I get it.
Are we going to get some ice cream next?
Of course.
Great!
You know, I've never seen you like this before.
Are you saying it's bad for me to be happy?
No, no, I didn't mean that.
Hehe...
Hmph.
Soon...
Mmm~
What?
Hmm... Just go back home, stay in my room and read my books.
Hey.
Any plans for today?
Don't you ever get tired of reading?
No.
For me, it's boring. Well, except for reading comic books.
No, it's not!
No need to get angry.
Say... Have you ever had anyone who had a crush on you?
Hmm... There's one. He's so creepy. I'm just glad I didn't come across him today.

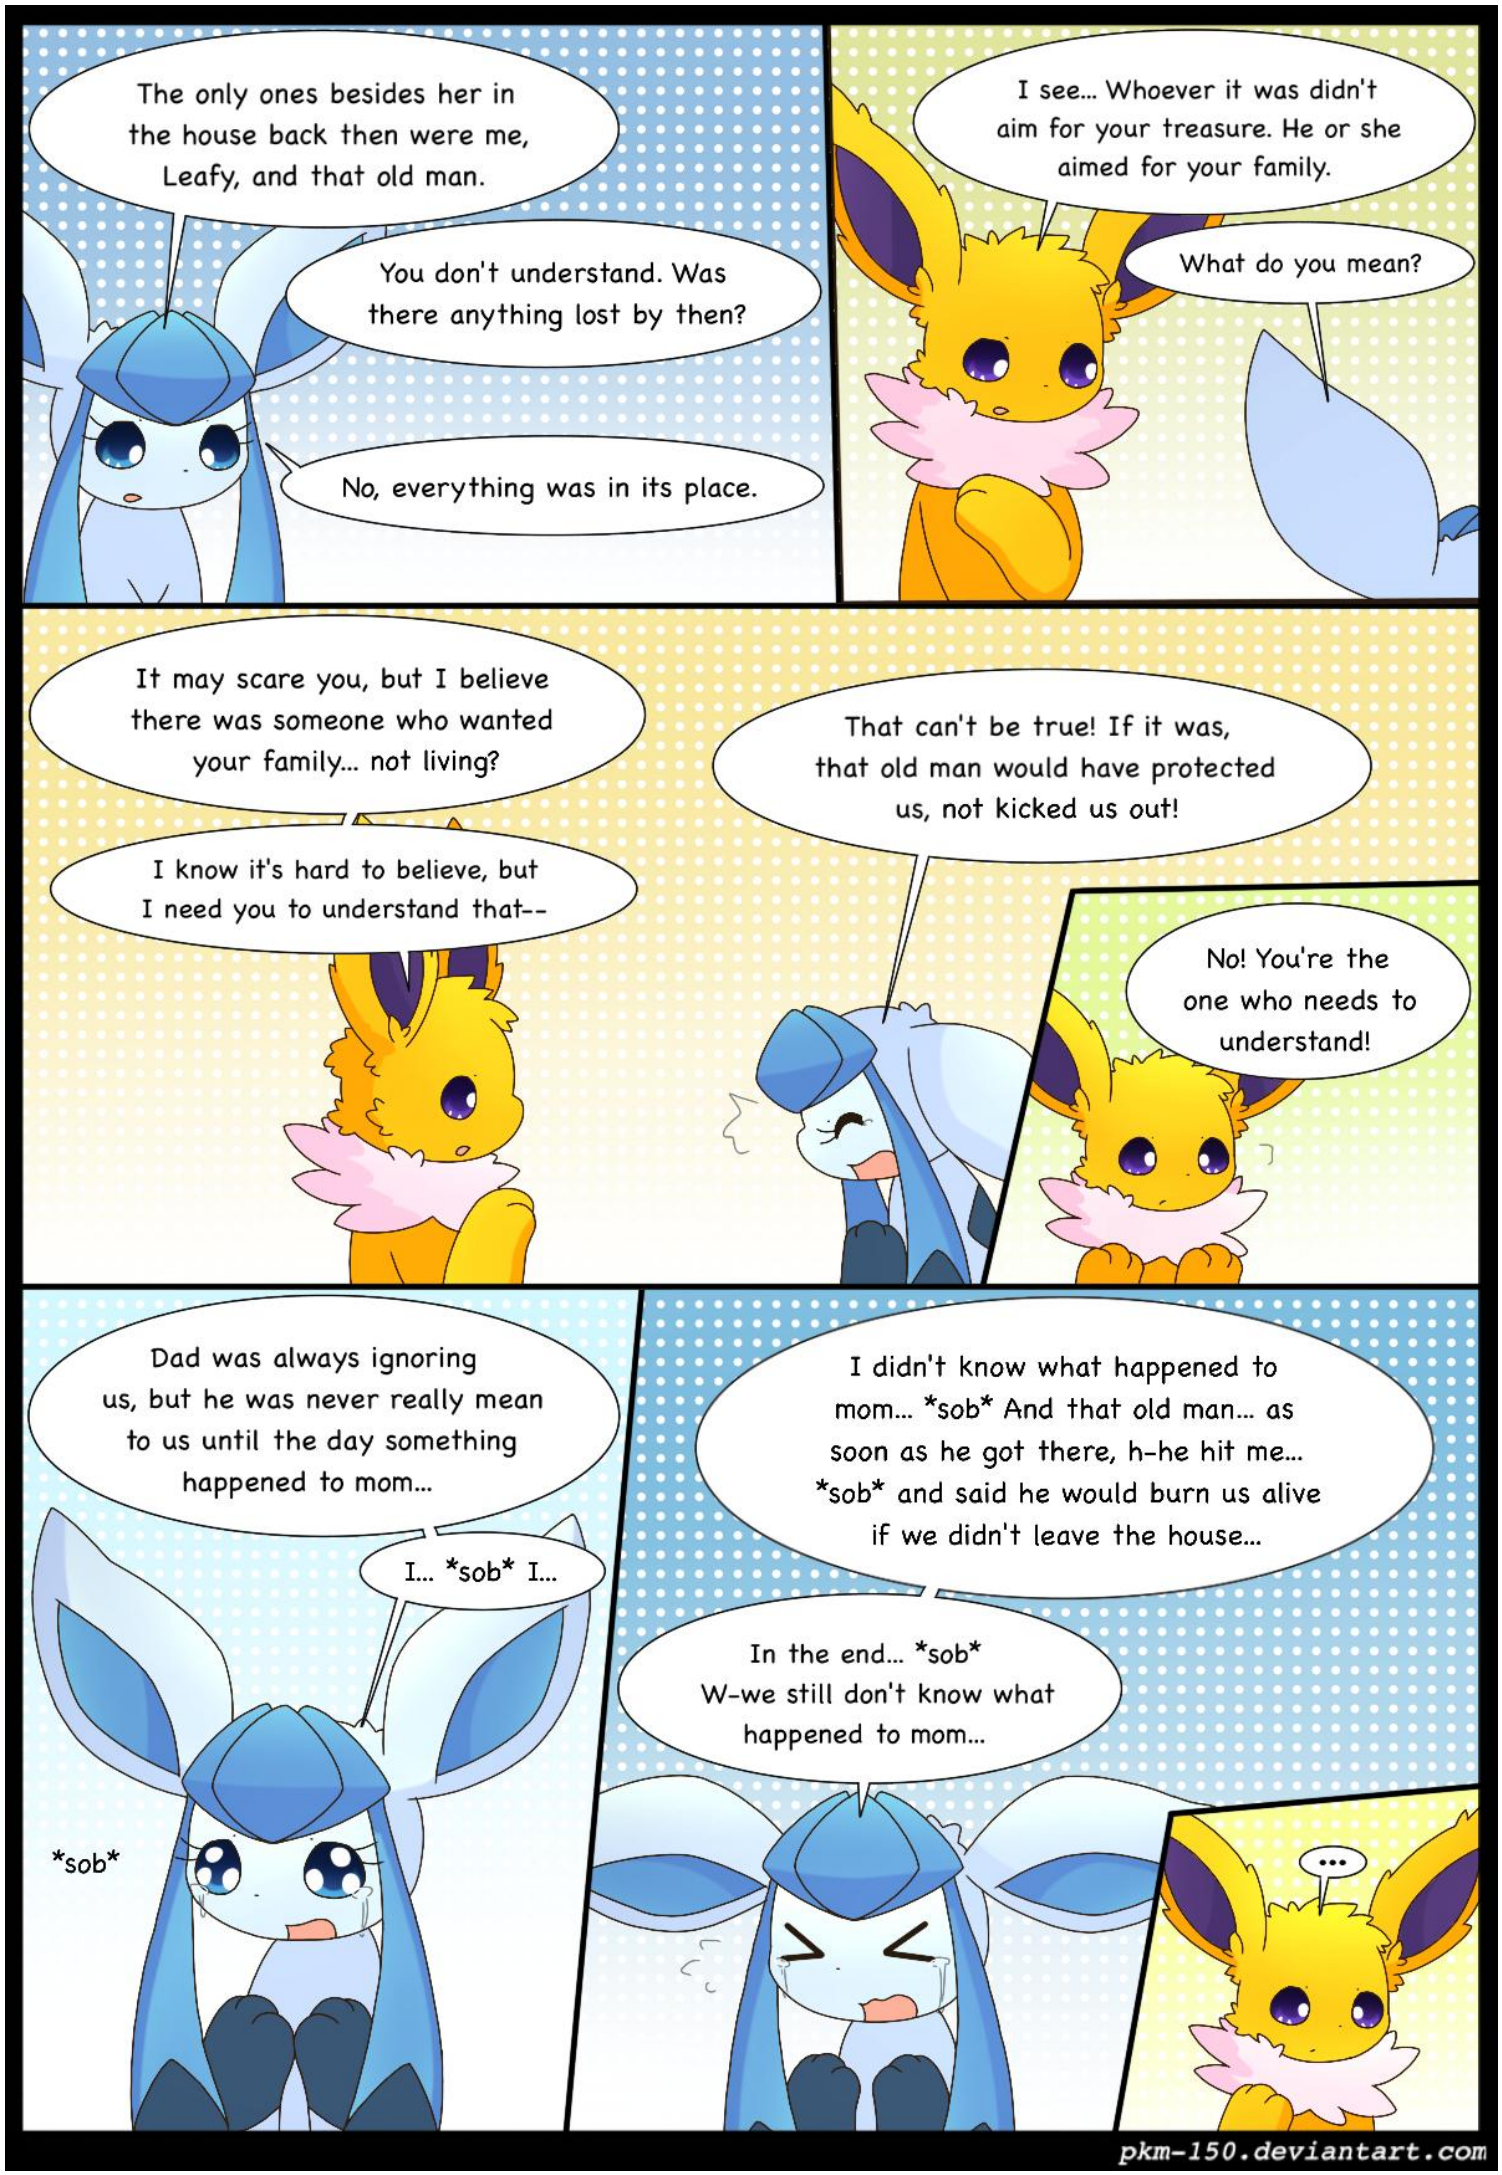
pkm-150.deviantart.com

Let me guess... He's a flirter?
Yes, and a weirdo. I would say you're a little better than him.
Only a little?
It's still better than nothing.
Fair enough.
How about you answer the question you just asked me?
You already know the answer.
Oh, right...
I want more ice creams.
Huh?
Later...
Finally... Home at last...
We would have been home earlier if you didn't ask for 5 more ice creams.
Um... Don't give me that look...
Thanks.
Thanks?
Okay?
I'll be in my room now.
I wonder if sis is having fun at the beach.
knock
knock
What do you want?
You should have gone with the others.
I um... just want some company. Mind if I...?
Come on.
pkm-150.deviantart.com

Fine... Don't even think about pulling anything on me.
Hey, I'm not a creep!
Just messing with you.
So what are you reading?
I know what it is.
Just a book.
Judging by the color of the cover, is it a love story? Vaporeon loves those kind of books.
No reply...
There is now. I'm trying to read. Just shut up before I kick you out of my room.
Back at the restaurant...
?
You didn't want to answer my question. Do you really hate your birthplace that bad?
No... I don't hate it...
Then why didn't you want to talk about it?
I have my reasons...
And what's that? You can be honest with me.
Why should I tell you!?
Because...
pkm-150.deviantart.com

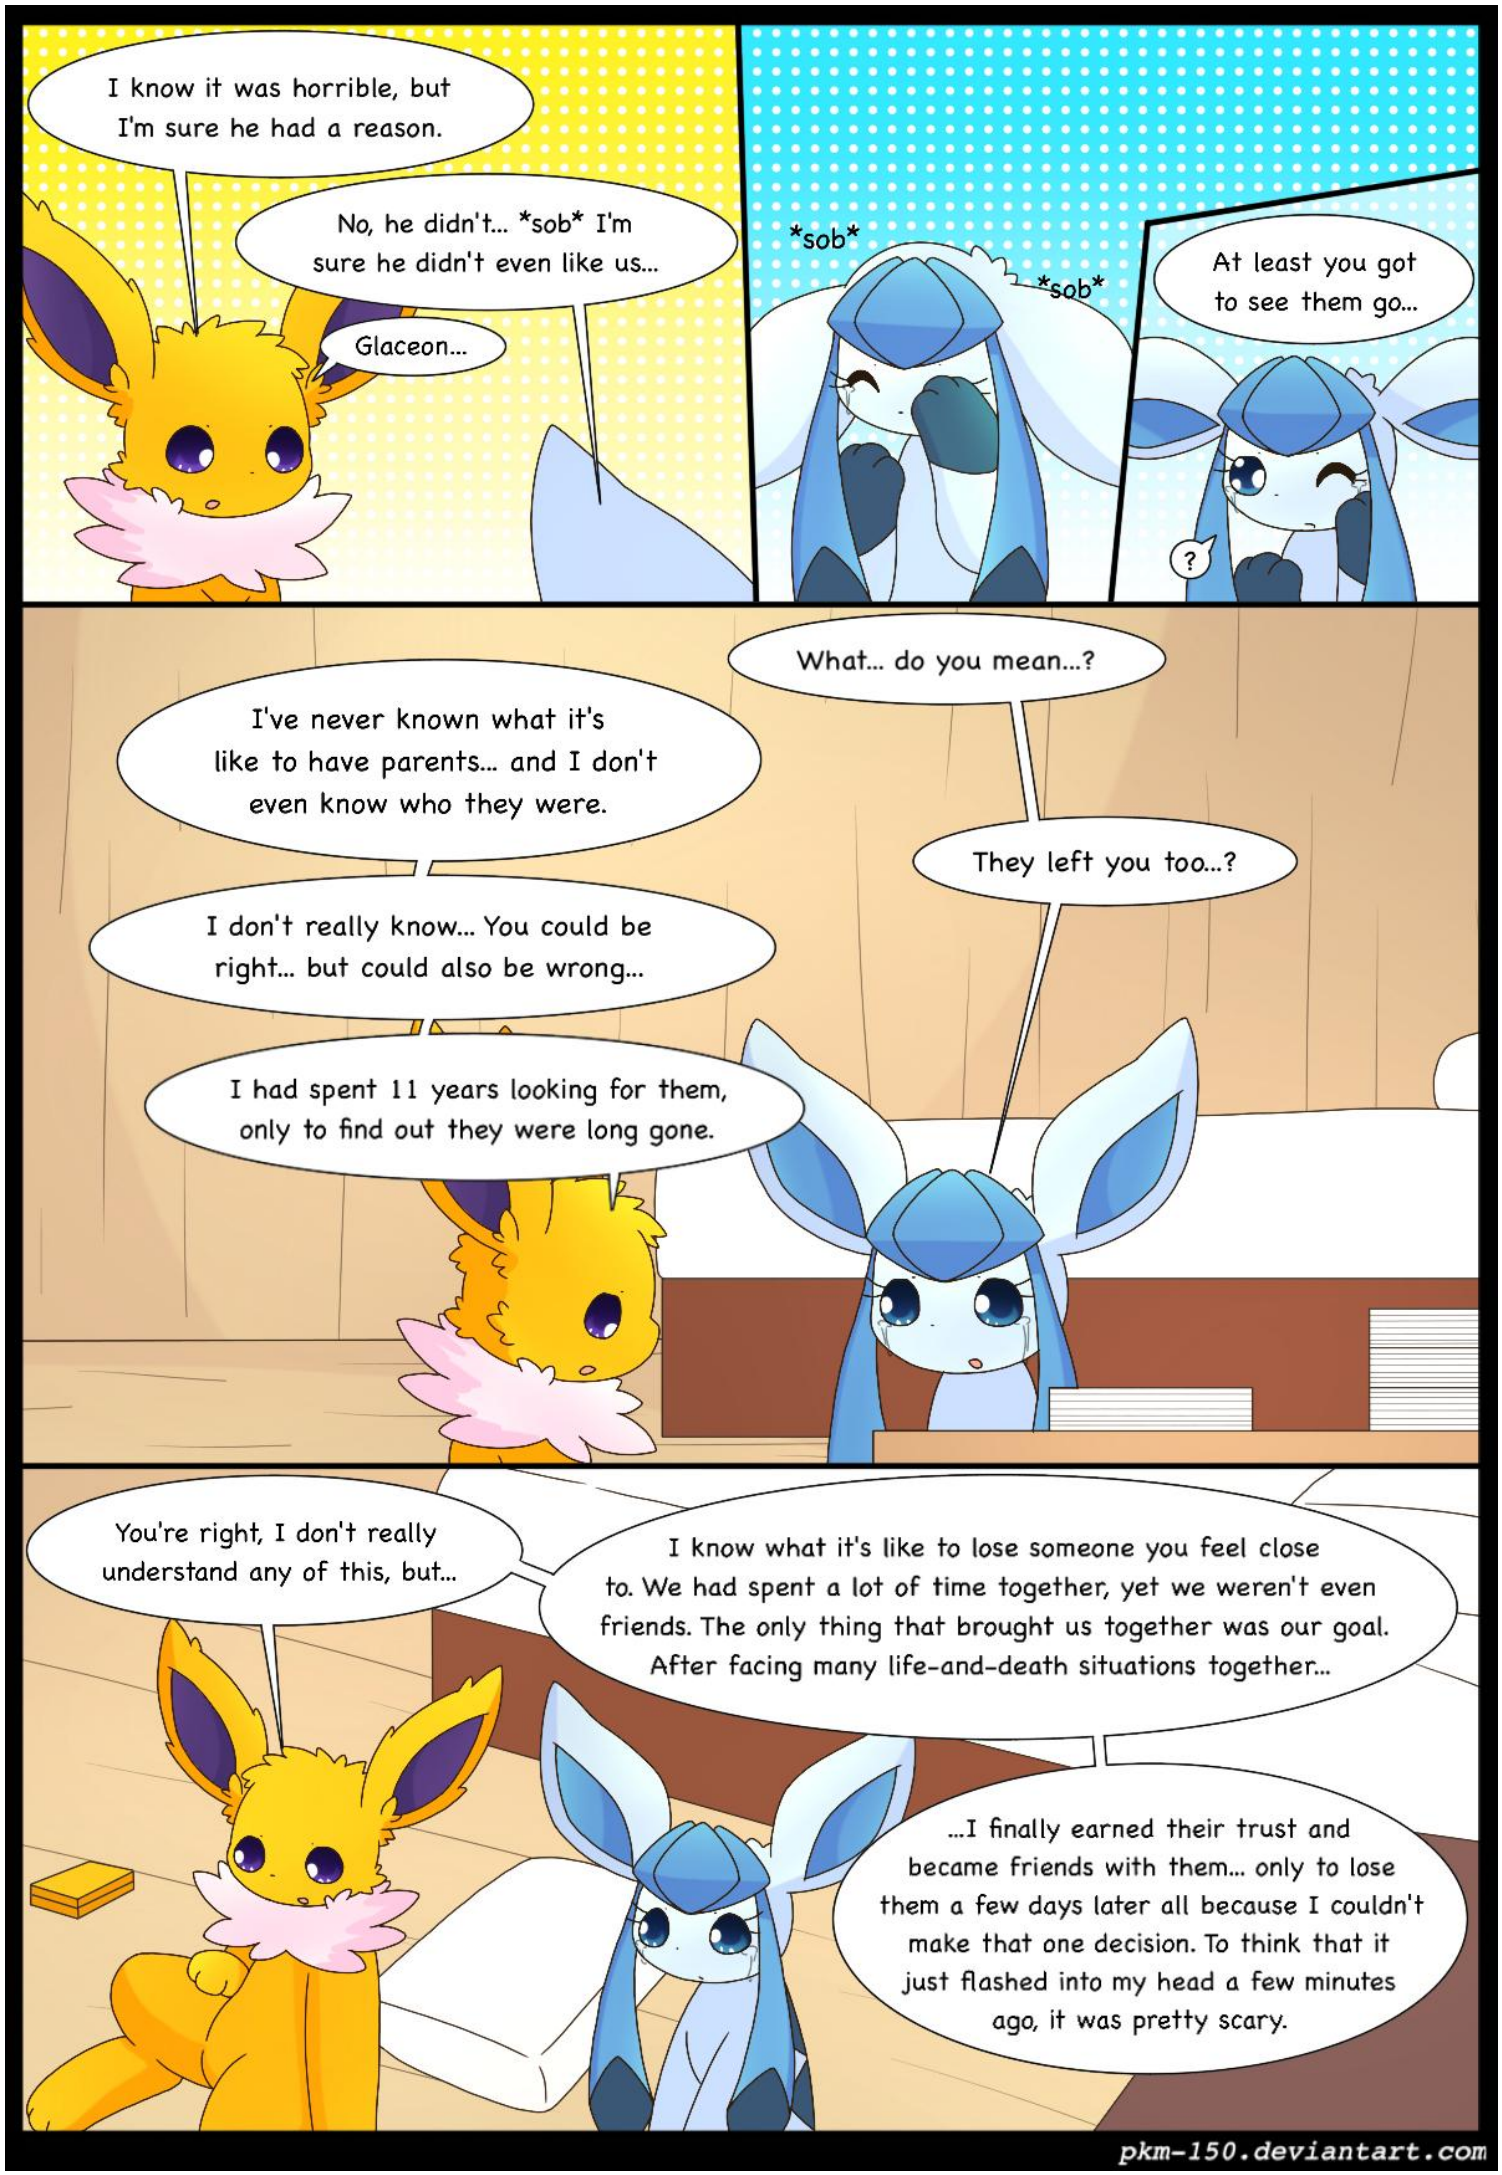


Because...?
...
Look... You seem really upset when I mentioned it. I just can't help, but wonder why.
Fine!
I... I came from Terra Town. It's about 10 miles from here. Every time I think about that place, I was reminded of that old man...
Old man... You mean your dad?
That old man kicked us out as soon as mom passed away...
I know it's kinda personal but... what happened to your mom?
I just told you.
No, I meant was she sick or something?
I don't know. As soon as Leafy and I returned home from playing, we saw... we saw her lying in a small red puddle on the ground with a long red line with red stuff dripping out of her neck... She stopped breathing when we found her...
...
She was... Let's just say there was someone else in the house with you back then.
pkm-150.deviantart.com

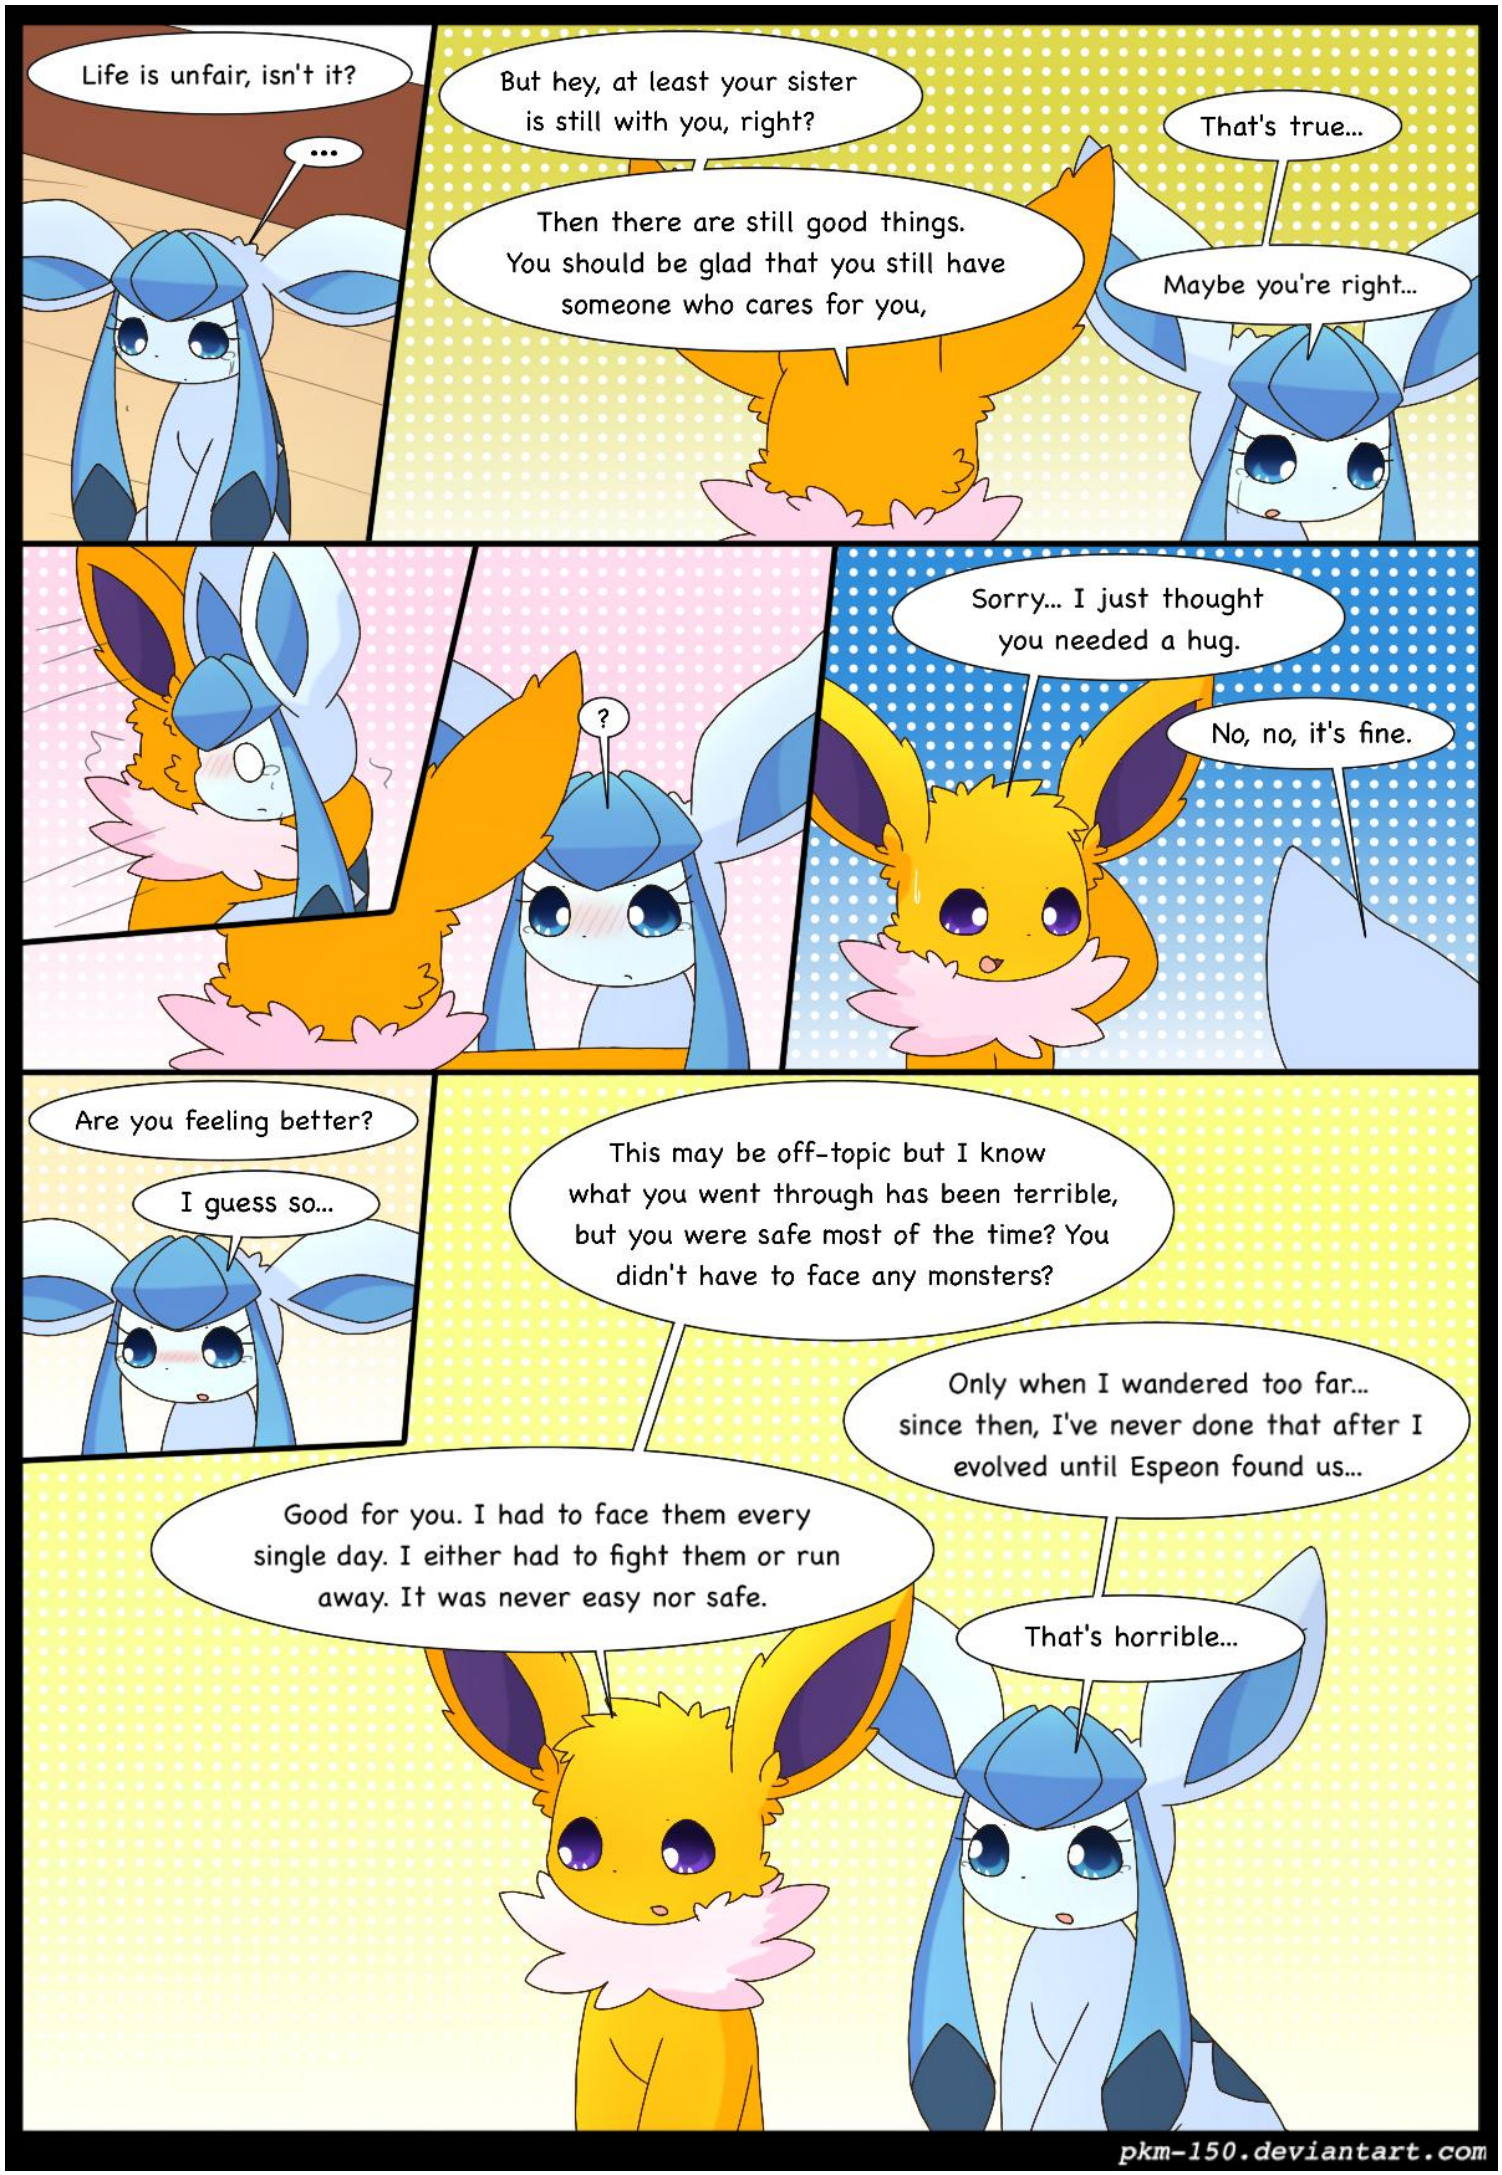


The only ones besides her in the house back then were me, Leafy, and that old man.
You don't understand. Was there anything lost by then?
No, everything was in its place.
I see... Whoever it was didn't aim for your treasure. He or she aimed for your family.
What do you mean?
It may scare you, but I believe there was someone who wanted your family... not living?
I know it's hard to believe, but I need you to understand that--
That can't be true! If it was, that old man would have protected us, not kicked us out!
No! You're the one who needs to understand!
Dad was always ignoring us, but he was never really mean to us until the day something happened to mom...
I... *sob* I...
sob
I didn't know what happened to mom... *sob* And that old man... as soon as he got there, h-he hit me... *sob* and said he would burn us alive if we didn't leave the house...
In the end... *sob* W-we still don't know what happened to mom...
...

pkm-150.deviantart.com

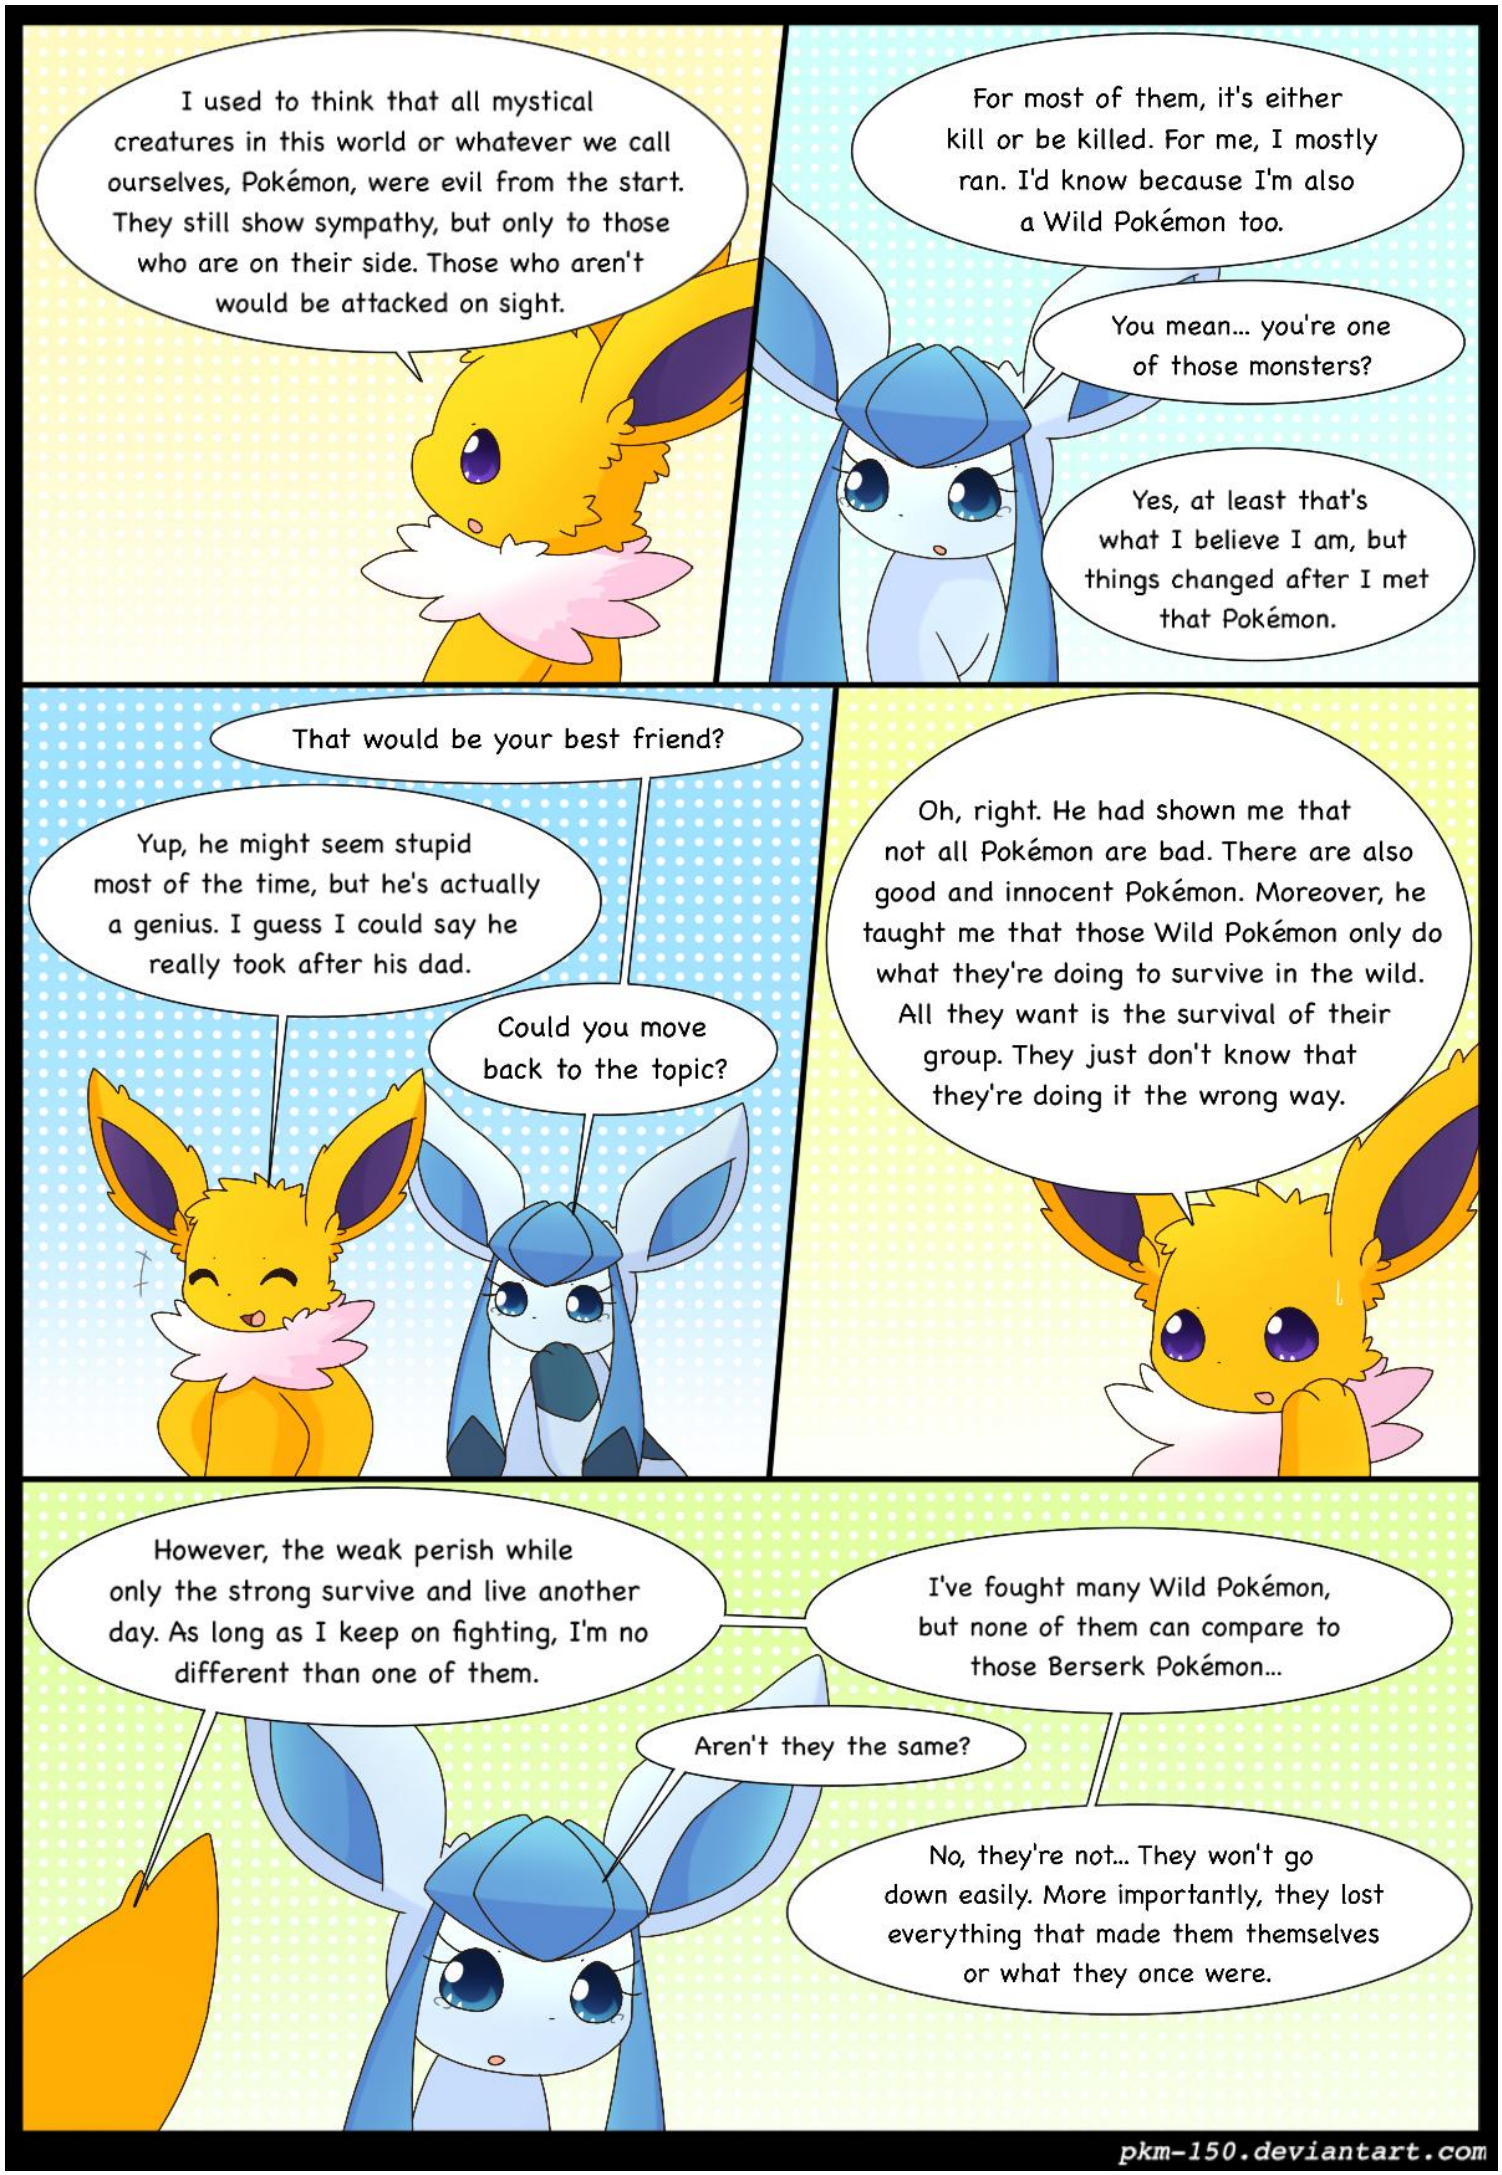


I know it was horrible, but I'm sure he had a reason.
No, he didn't... *sob* I'm sure he didn't even like us...
Glaceon...
sob
sob
At least you got to see them go...
?
What... do you mean...?
I've never known what it's like to have parents... and I don't even know who they were.
They left you too...?
I don't really know... You could be right... but could also be wrong...
I had spent 11 years looking for them, only to find out they were long gone.
You're right, I don't really understand any of this, but...
I know what it's like to lose someone you feel close to. We had spent a lot of time together, yet we weren't even friends. The only thing that brought us together was our goal. After facing many life-and-death situations together...
...I finally earned their trust and became friends with them... only to lose them a few days later all because I couldn't make that one decision. To think that it just flashed into my head a few minutes ago, it was pretty scary.
pkm-150.deviantart.com

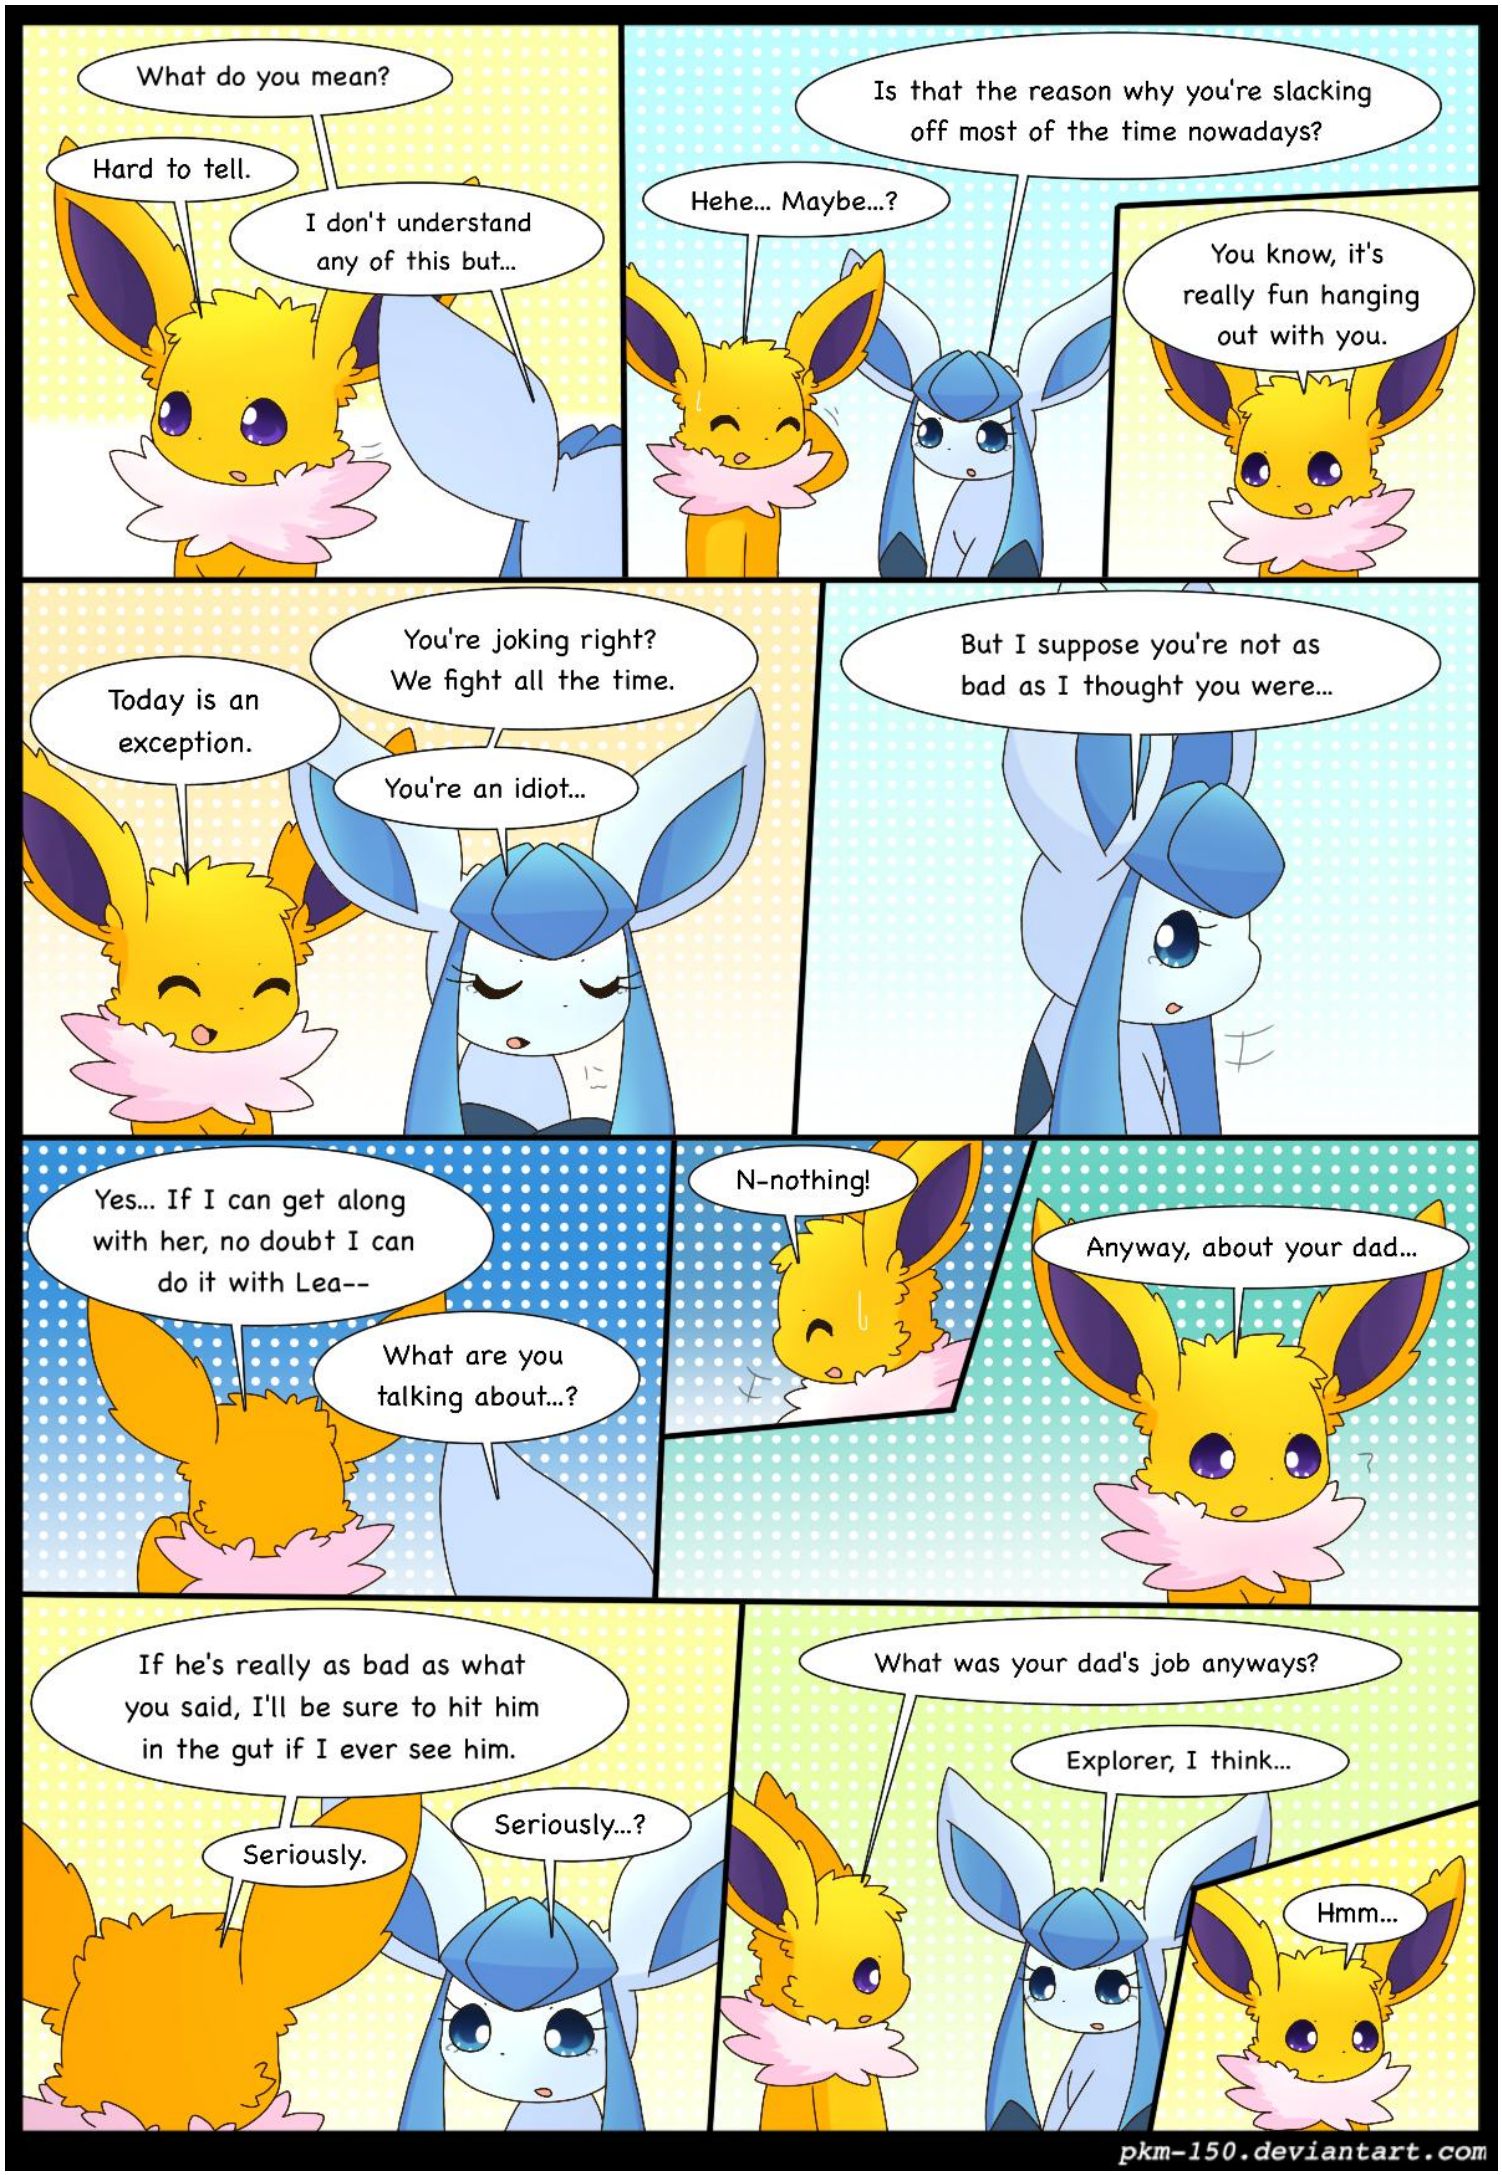


Life is unfair, isn't it?
...
But hey, at least your sister is still with you, right?
That's true...
Then there are still good things. You should be glad that you still have someone who cares for you,
Maybe you're right...
?
Sorry... I just thought you needed a hug.
No, no, it's fine.
Are you feeling better?
I guess so...
This may be off-topic but I know what you went through has been terrible, but you were safe most of the time? You didn't have to face any monsters?
Only when I wandered too far... since then, I've never done that after I evolved until Espeon found us...
Good for you. I had to face them every single day. I either had to fight them or run away. It was never easy nor safe.
That's horrible...

pkm-150.deviantart.com



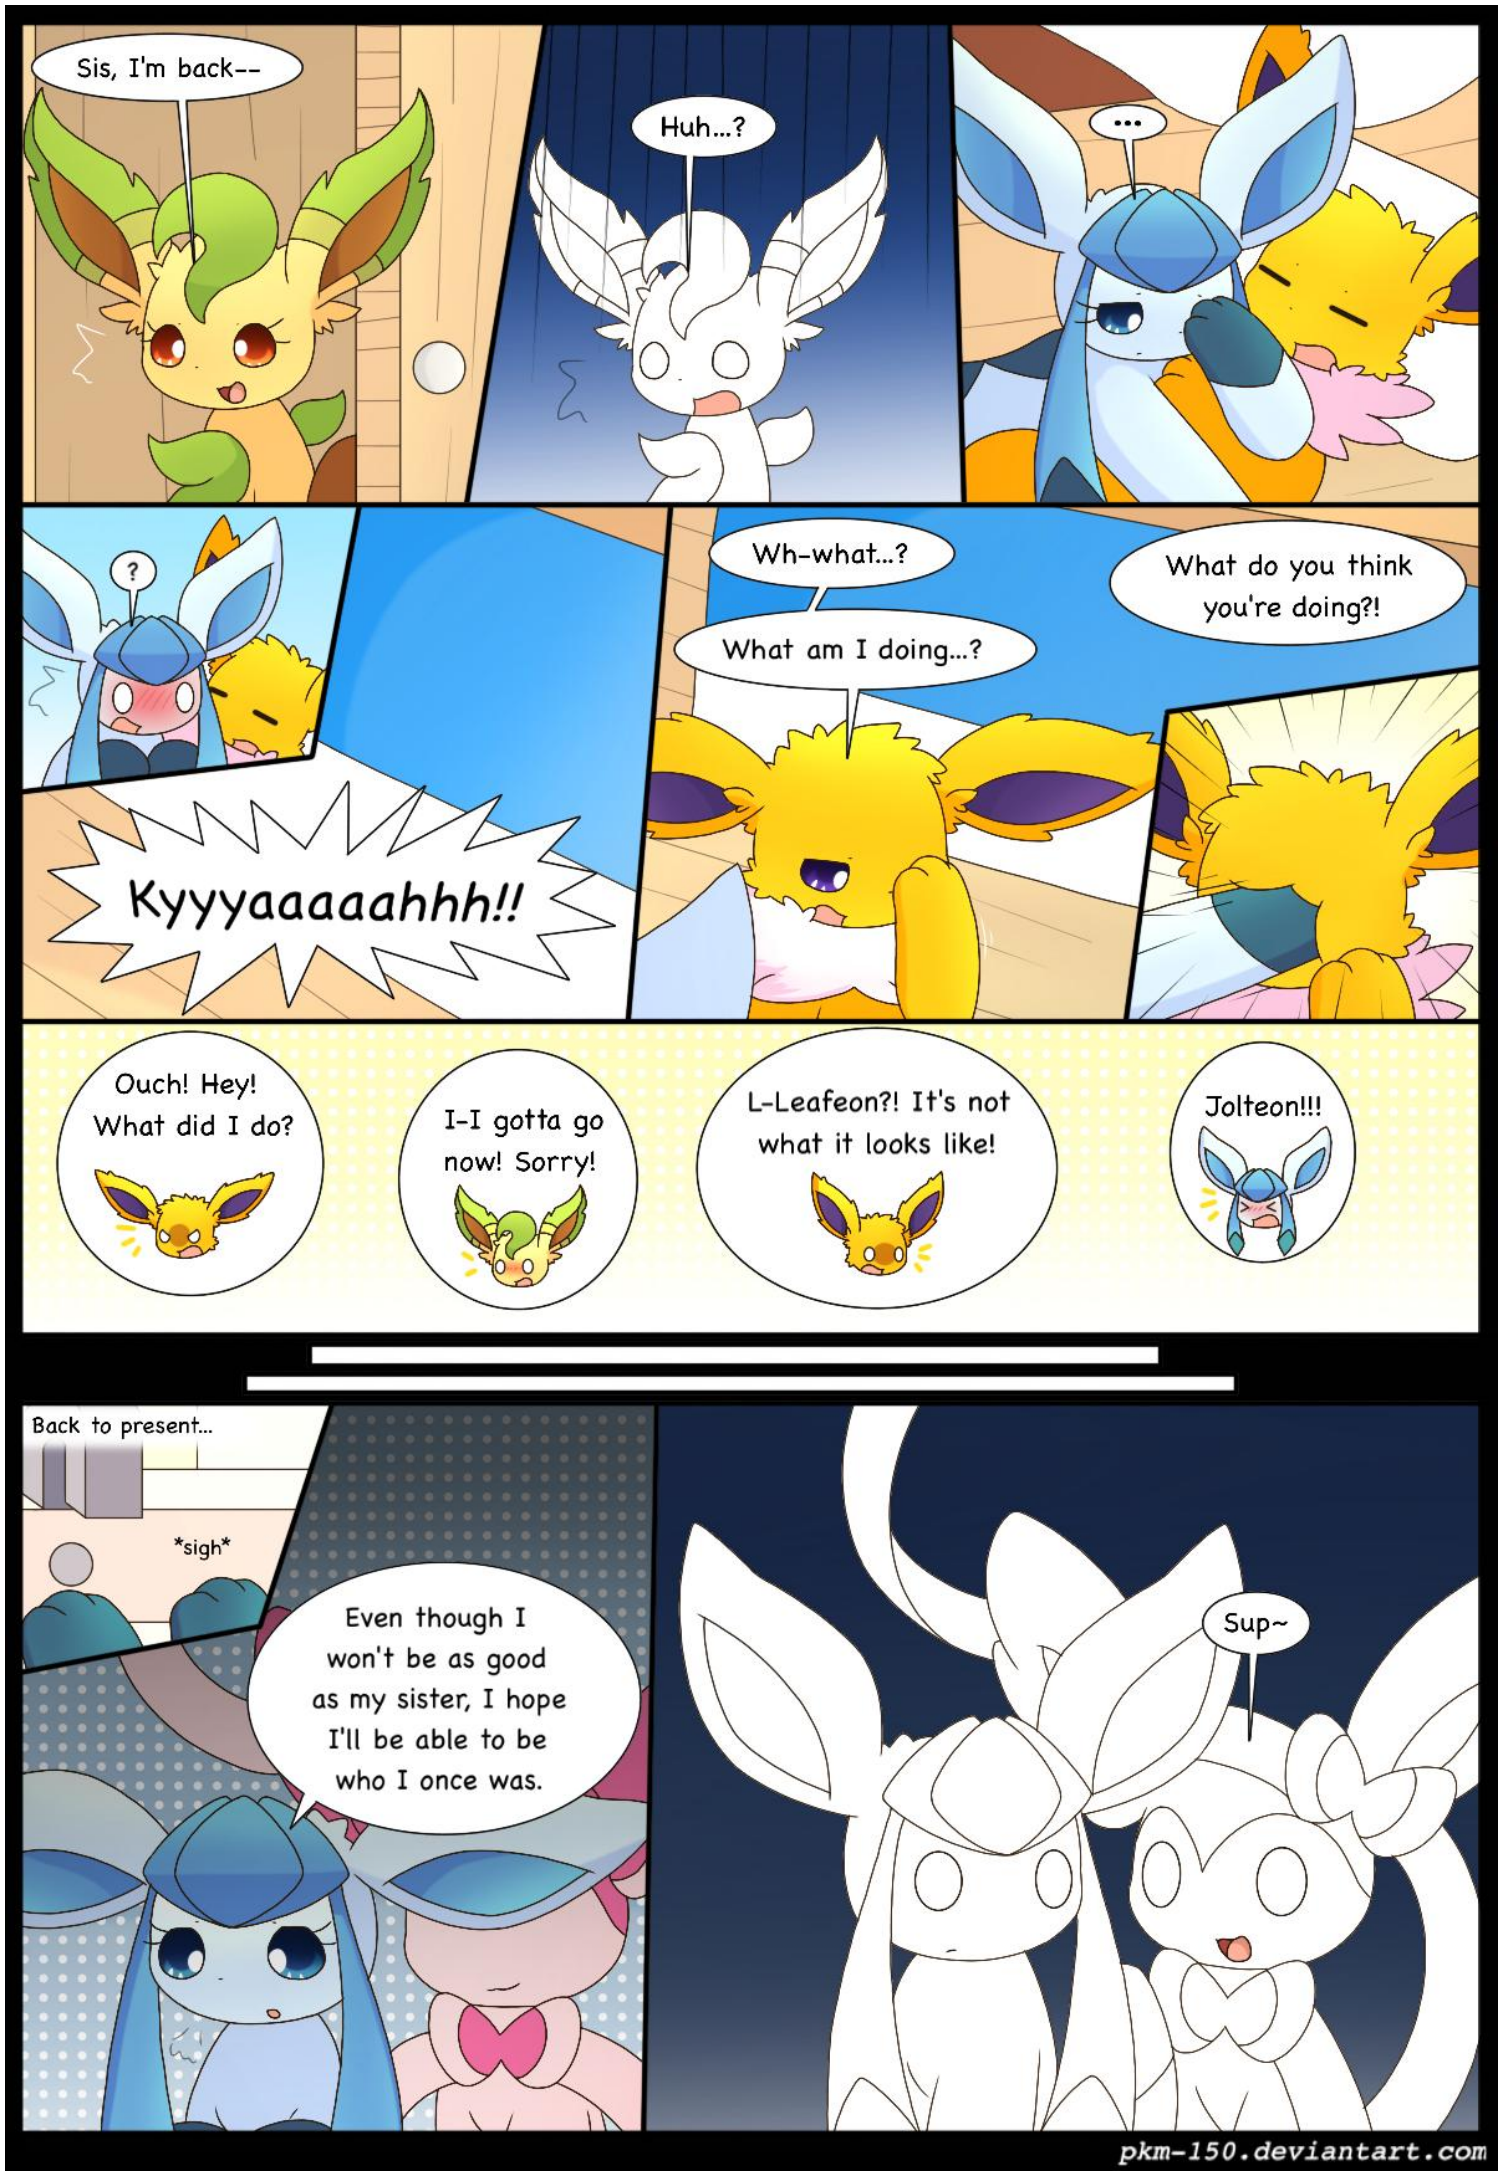
I used to think that all mystical creatures in this world or whatever we call ourselves, Pokémon, were evil from the start. They still show sympathy, but only to those who are on their side. Those who aren't would be attacked on sight.
For most of them, it's either kill or be killed. For me, I mostly ran. I'd know because I'm also a Wild Pokémon too.
You mean... you're one of those monsters?
Yes, at least that's what I believe I am, but things changed after I met that Pokémon.
That would be your best friend?
Yup, he might seem stupid most of the time, but he's actually a genius. I guess I could say he really took after his dad.
Could you move back to the topic?
Oh, right. He had shown me that not all Pokémon are bad. There are also good and innocent Pokémon. Moreover, he taught me that those Wild Pokémon only do what they're doing to survive in the wild. All they want is the survival of their group. They just don't know that they're doing it the wrong way.
However, the weak perish while only the strong survive and live another day. As long as I keep on fighting, I'm no different than one of them.
I've fought many Wild Pokémon, but none of them can compare to those Berserk Pokémon...
Aren't they the same?
No, they're not... They won't go down easily. More importantly, they lost everything that made them themselves or what they once were.
pkm-150.deviantart.com



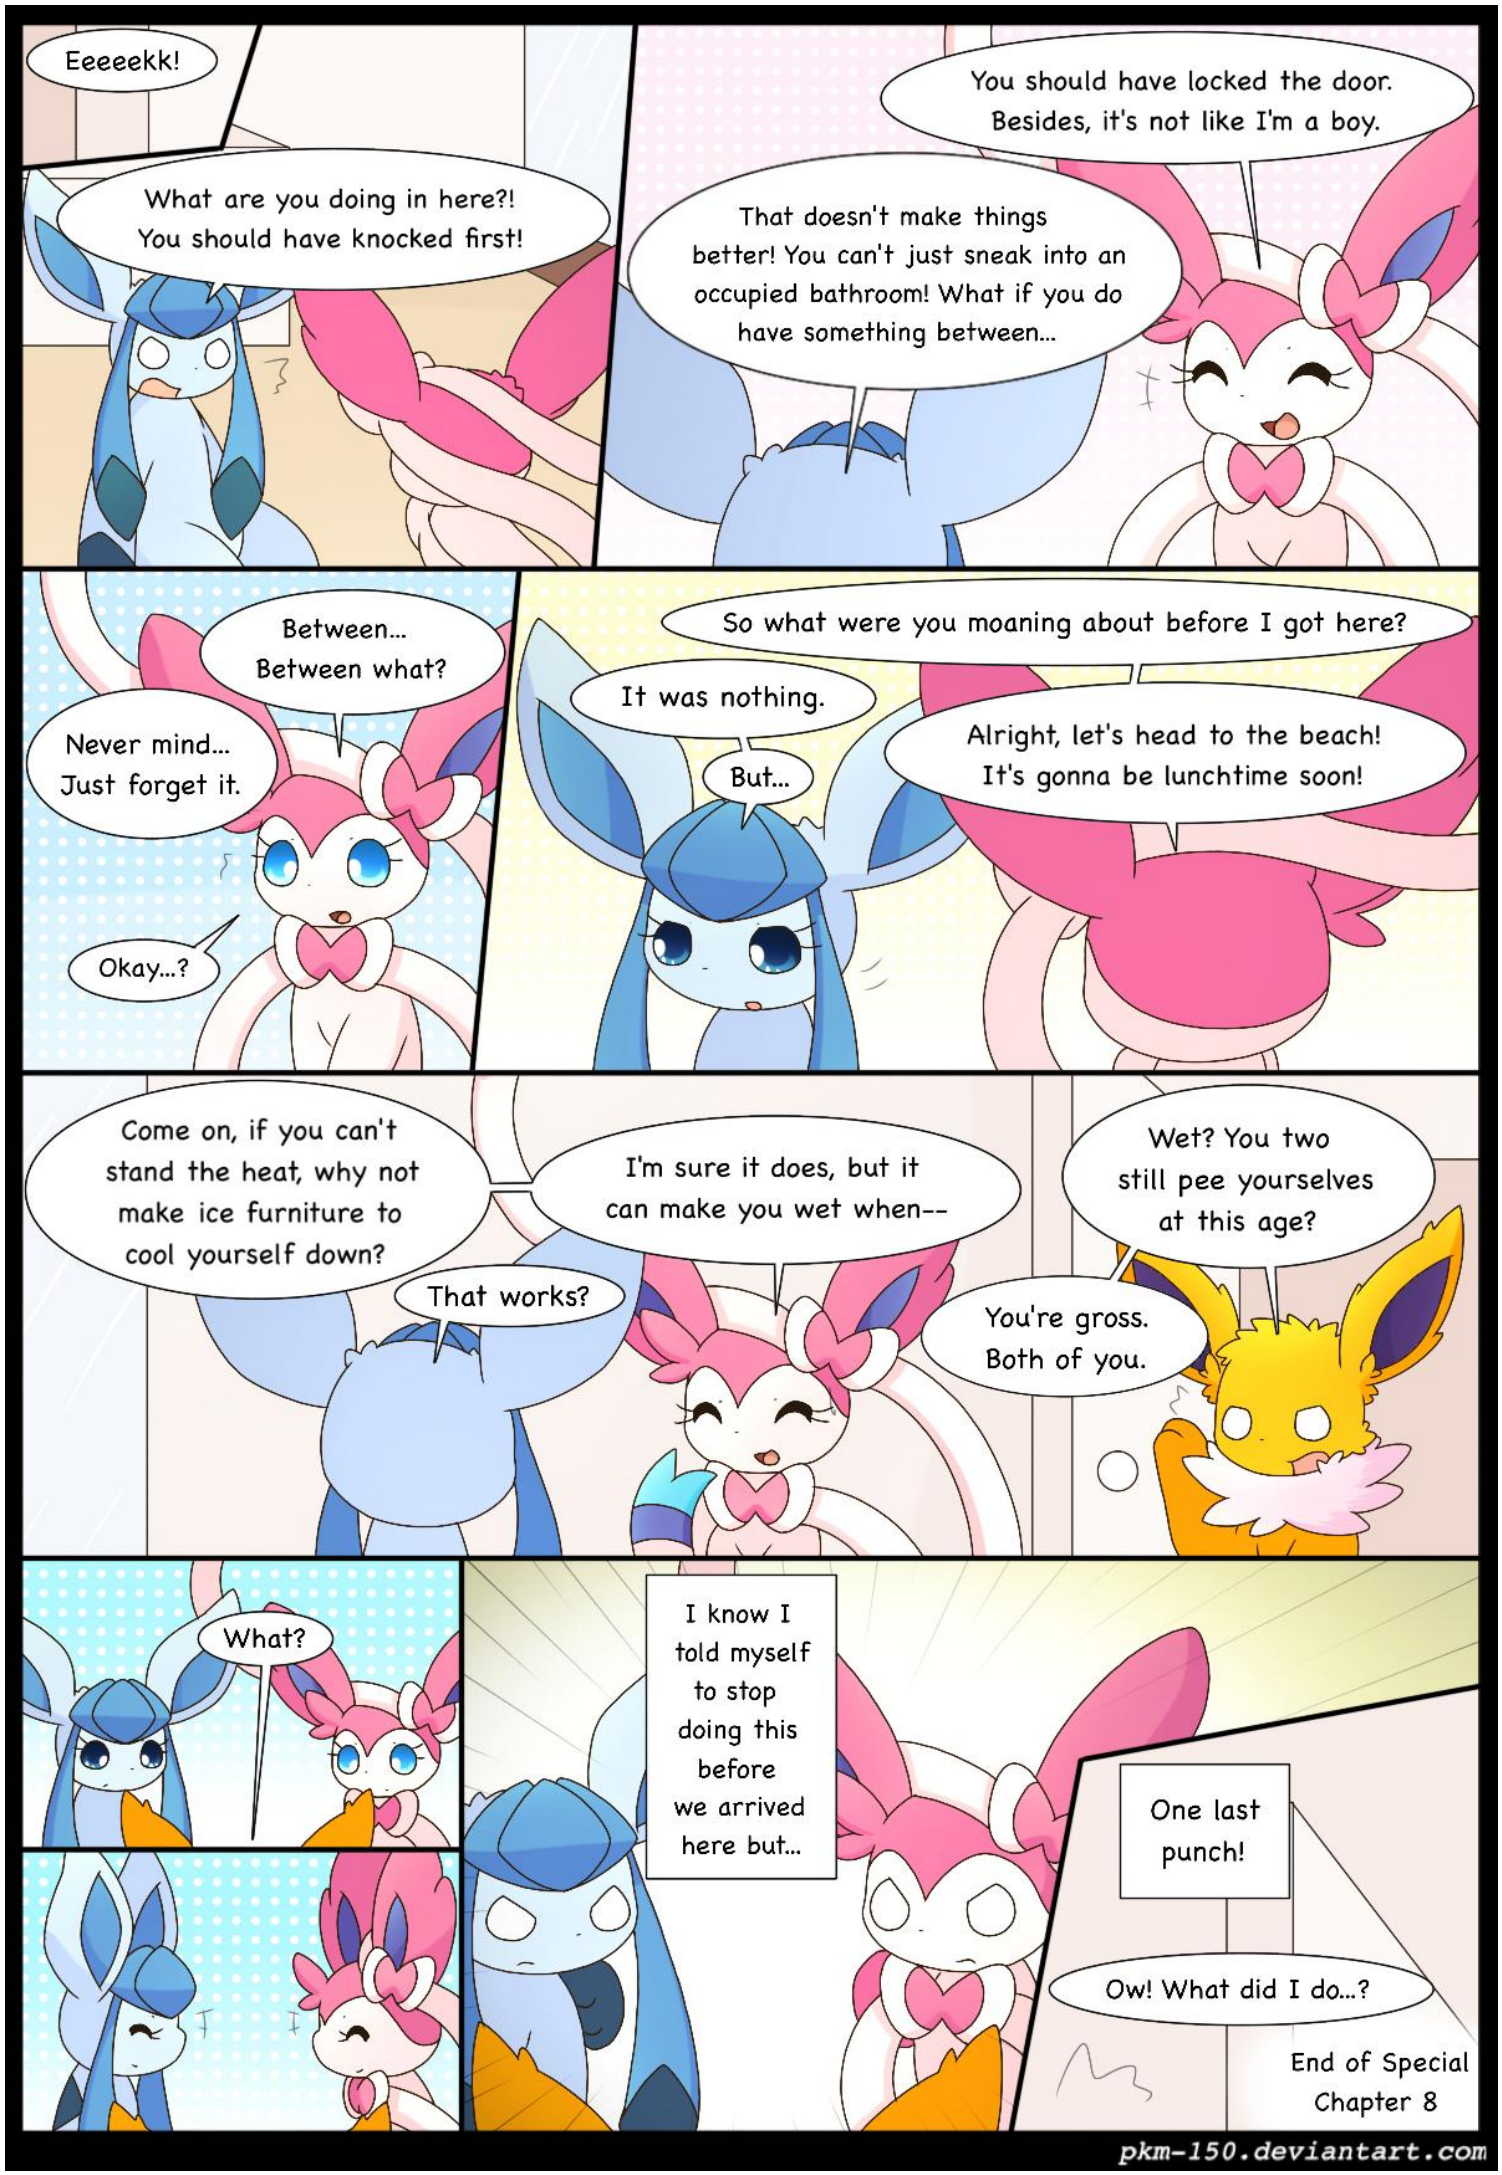
What do you mean?
Hard to tell.
I don't understand any of this but...
Is that the reason why you're slacking off most of the time nowadays?
Hehe... Maybe...?
You know, it's really fun hanging out with you.
You're joking right? We fight all the time.
Today is an exception.
You're an idiot...
But I suppose you're not as bad as I thought you were...
Yes... If I can get along with her, no doubt I can do it with Lea--
What are you talking about...?
N-nothing!
Anyway, about your dad...
If he's really as bad as what you said, I'll be sure to hit him in the gut if I ever see him.
Seriously.
Seriously...?
What was your dad's job anyways?
Explorer, I think...
Hmm...
pkm-150.deviantart.com

yawn
Tired of crying?
Ouch.
...
Why don't you take a nap?
Don't worry, I'm not a creep.
...
Okay...
Jolteon...?
About that game of yours,
I guess it's pretty awesome...
Yes?
Of course, it is.
Come on, let's
put you to bed.
If you want, I can
leave your room.
No. Please stay...
If you say so.
Sleep tight.
Mmhmm.
yawn
Man... I guess I need
to take a nap too.
You can sleep
on the ground.
Here I go.
What kind of story is this?
Hey, you can't read that!
pkm-150.deviantart.com

pkm-150.deviantart.com



pkm-150.deviantart.com



Eeeeekk!
What are you doing in here?! You should have knocked first!
You should have locked the door. Besides, it's not like I'm a boy.
That doesn't make things better! You can't just sneak into an occupied bathroom! What if you do have something between...
Between... Between what?
Never mind... Just forget it.
Okay...?
So what were you moaning about before I got here?
It was nothing.
But...
Alright, let's head to the beach! It's gonna be lunchtime soon!
Come on, if you can't stand the heat, why not make ice furniture to cool yourself down?
That works?
I'm sure it does, but it can make you wet when--
Wet? You two still pee yourselves at this age?
You're gross. Both of you.
What?
I know I told myself to stop doing this before we arrived here but...
One last punch!
Ow! What did I do...?
End of Special Chapter 8

pkm-150.deviantart.com

Are you okay?
I'm good. Just need to dry myself up.
Your sister is always cheerful.
Yup.
Hi, big bro.
Hi.
Reading what Glaceon is reading.
Could you stop staring at me?
I'm staring at the book.
Why?
'Cause I said so.
Hi, sis.
What are you doing?
This is embarrassing...
We'll leave you two alone for now.
They seem to get along better than last time.
Yup, sis changed dramatically in just a few days.
I can see that, Leafy.
Anyways, I have something for you.
What is it?
Here. I know you love chocolate so...
Thanks!
Don't eat too fast.
Mmh~
pkm-150.deviantart.com

Flare?
Yes?
Your left eye. It's the same as last time.
You don't need to. Is it your power or something else?
S-sorry.
I don't know, but I think it has something to do with the little Eevee who lives inside me.
You have a baby?
That's not what I mean!
I'm just joking. What do you mean by Eevee inside you? An imaginary friend in your dream?
No, it's too real to be just a simple dream now that I think about it. I used to think it was.
Is he nice?
Yup, and cute. He still can't talk in our language properly though.
So you think he has something to do with your red eye?
Yup, I always meet him in my sleep after my eye becomes like that.
That means you'll meet him tonight.
I think so.
Tell him I said hello if you'll really meet him again.
You believe what I'm saying?
Of course. What I'm seeing now is enough to make me believe you.
I guess so...
Let's go back to the beach.
Okay.

pkm-150.deviantart.com

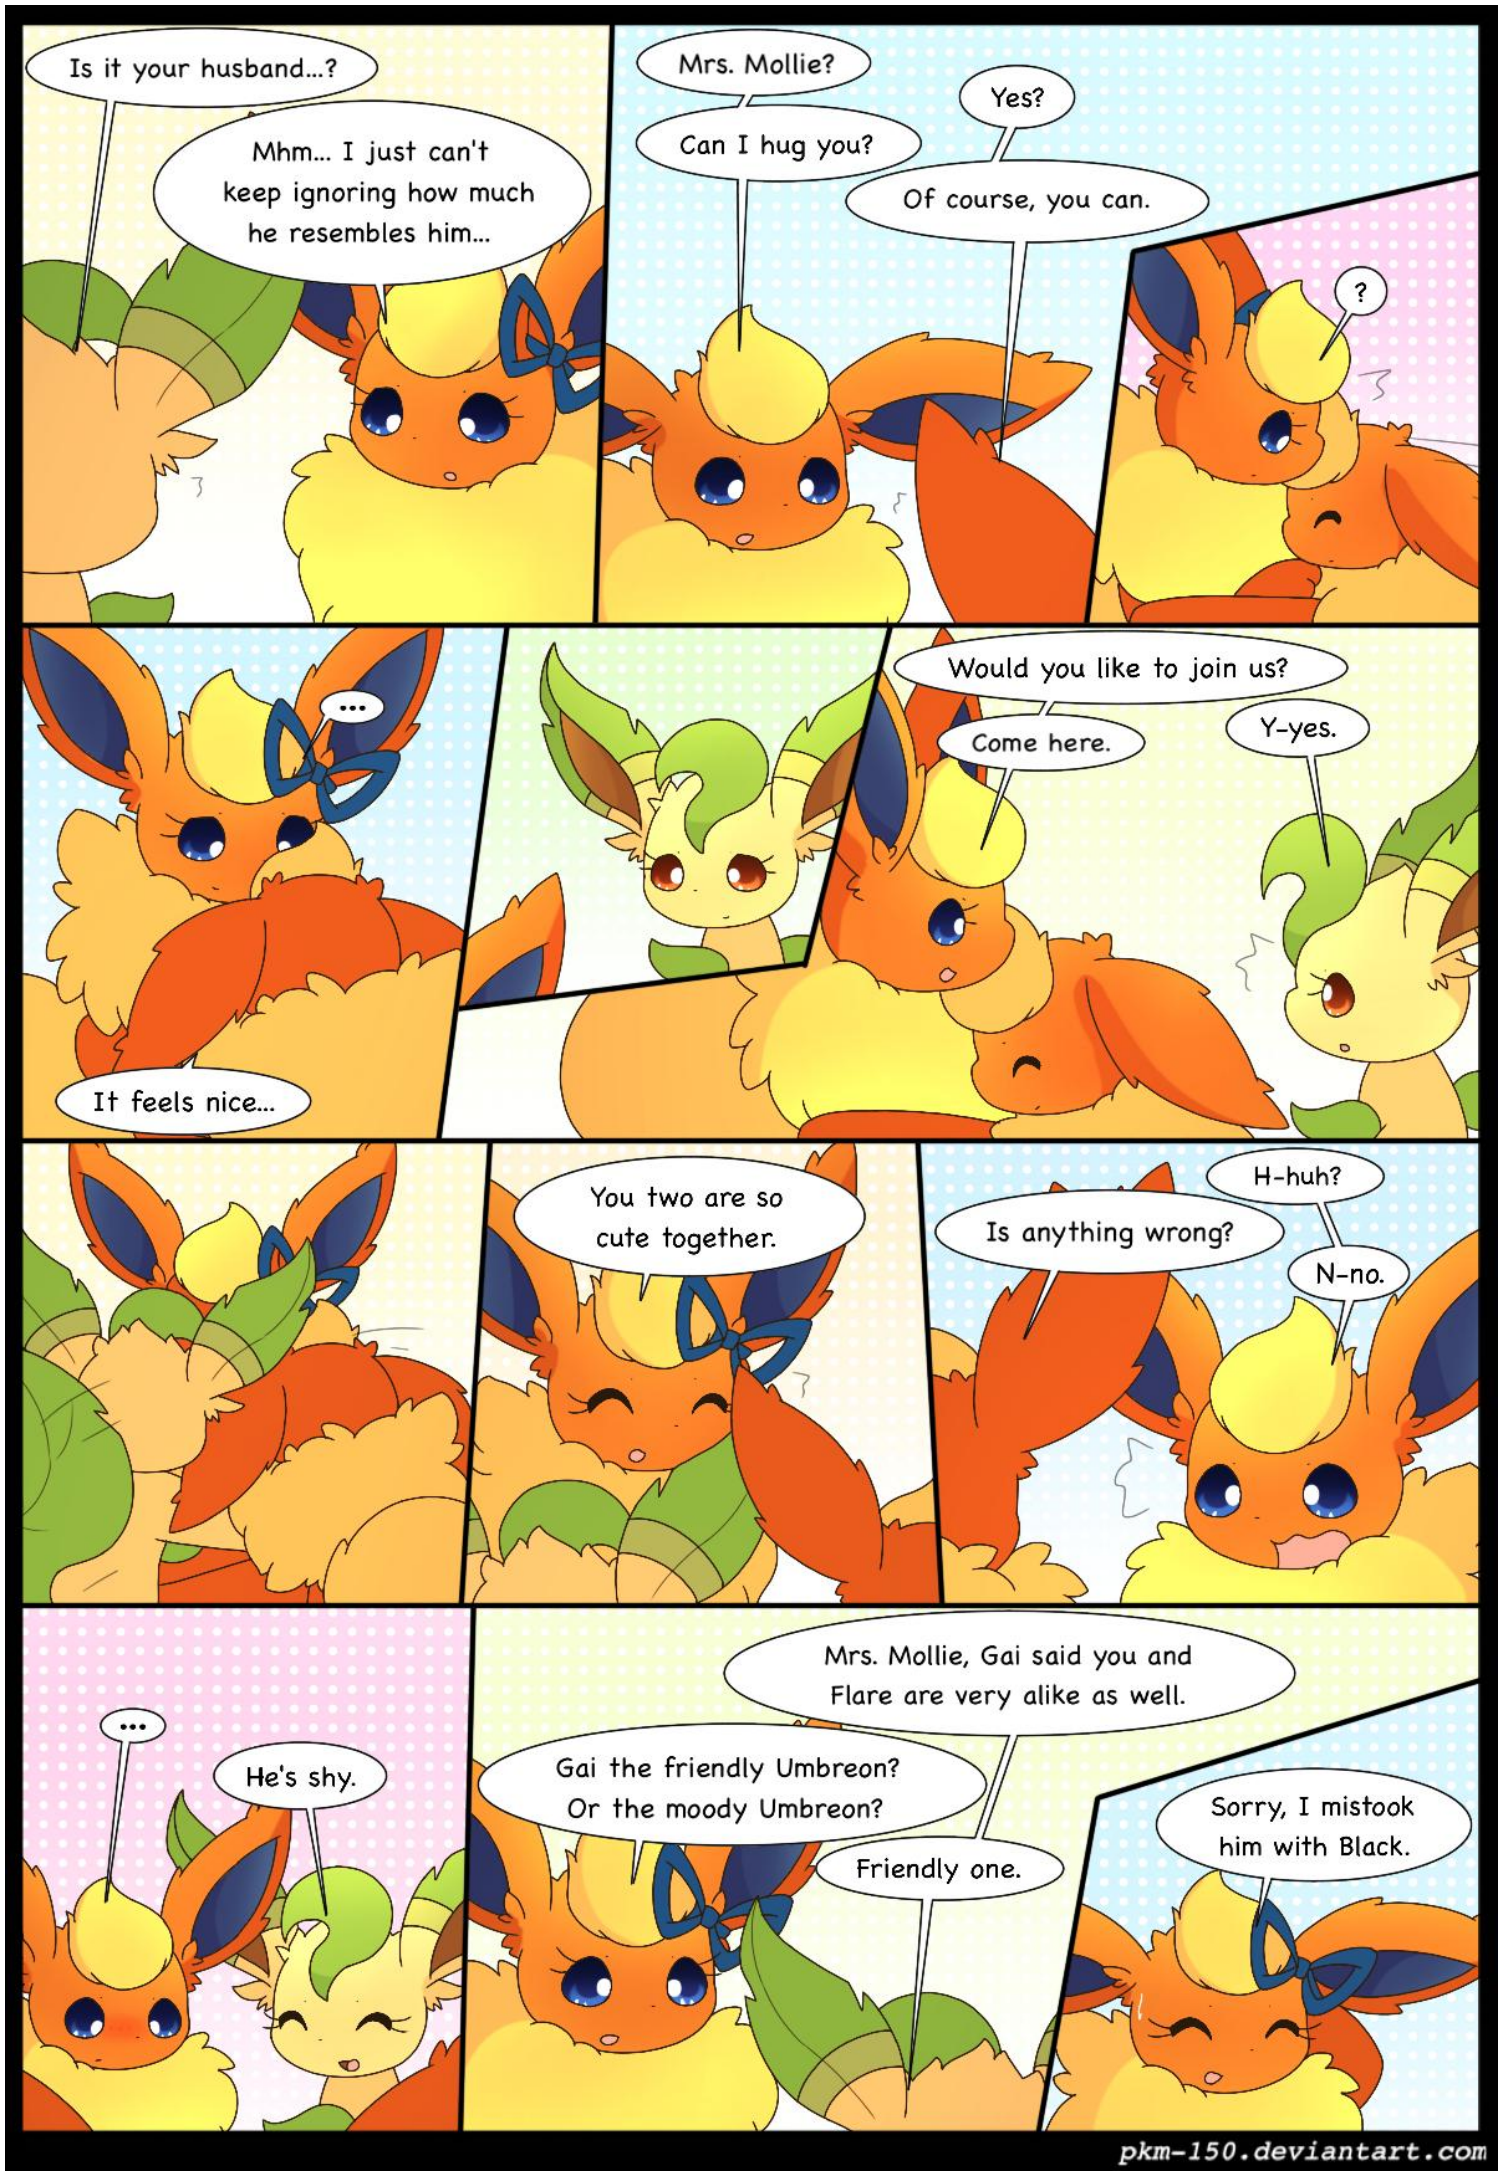
Later...
Hey, you're back.
Big brother!
Is daddy coming?
No, he's staying inside the house.
But I want to play with daddy.
I can play with you. Wanna play in the water together?
Aye!
Have fun!
So what now?
I don't know.
You said big bro trains you, right?
Yup.
What kind of training did you do? He taught me how to control my power so I wouldn't accidentally burn my plants.
Dodging, fighting, and stuff.
Oh.
You should train with him sometimes. Who knows when you need to defend yourself?
But I'm terrible at fighting...
Doesn't mean you can't fight. Just look at that little guy. Axel is terrible at it too, but he did his best to learn how.

pkm-150.deviantart.com

Yesterday I trained with him a little. He wasn't that strong, yet he still somehow put up a great fight.
Anyway, your brother had told me something about you before. He said you were able to beat him in one hit which is very impressive.
I did that?
That's what he told me. I think it was on the day you evolved or something...
Oh... Sis said I was scary on that day...
So that means you beating Yellow in one hit was possible.
Why are you calling big bro Yellow?
That's his name. Well... I guess it's his nickname then.
Anyway, how did he teach you how to control fire? I don't think electric and fire are the same thing.
Big bro said he had some experiences with controlling fire. And his method worked for me.
Weird, but oh well.
I don't know if anyone had said this, but you and Mrs. Mollie are very alike personality-wise
We are?
Yup.
Totally.
pkm-150.deviantart.com

You should talk to her more. I'm sure you'll get along with her well.
We already do.
Alright.
And Sunny, in case you want to join our training session, ask your brother. I'm sure he'll let you in.
Sunny?
Sunny isn't your name?
Only sis calls me that.
Oh, I thought your name and your siblings' names were Sunny, Kris and Yellow. How silly of me.
If you excuse us, we'll just...
Okay, just go.
Mrs. Mollie?
Hi, do you need anything?
I'd love to.
We're just wondering if you want some company.
How are you two?
How are your siblings?
We're good.
Big bro is doing okay, so is sis.
My sister is doing fine too.
Good to know.
Flare, about your brother...
Is there anything wrong?
No, it's just that he reminds me of someone... someone who was very dear to me...

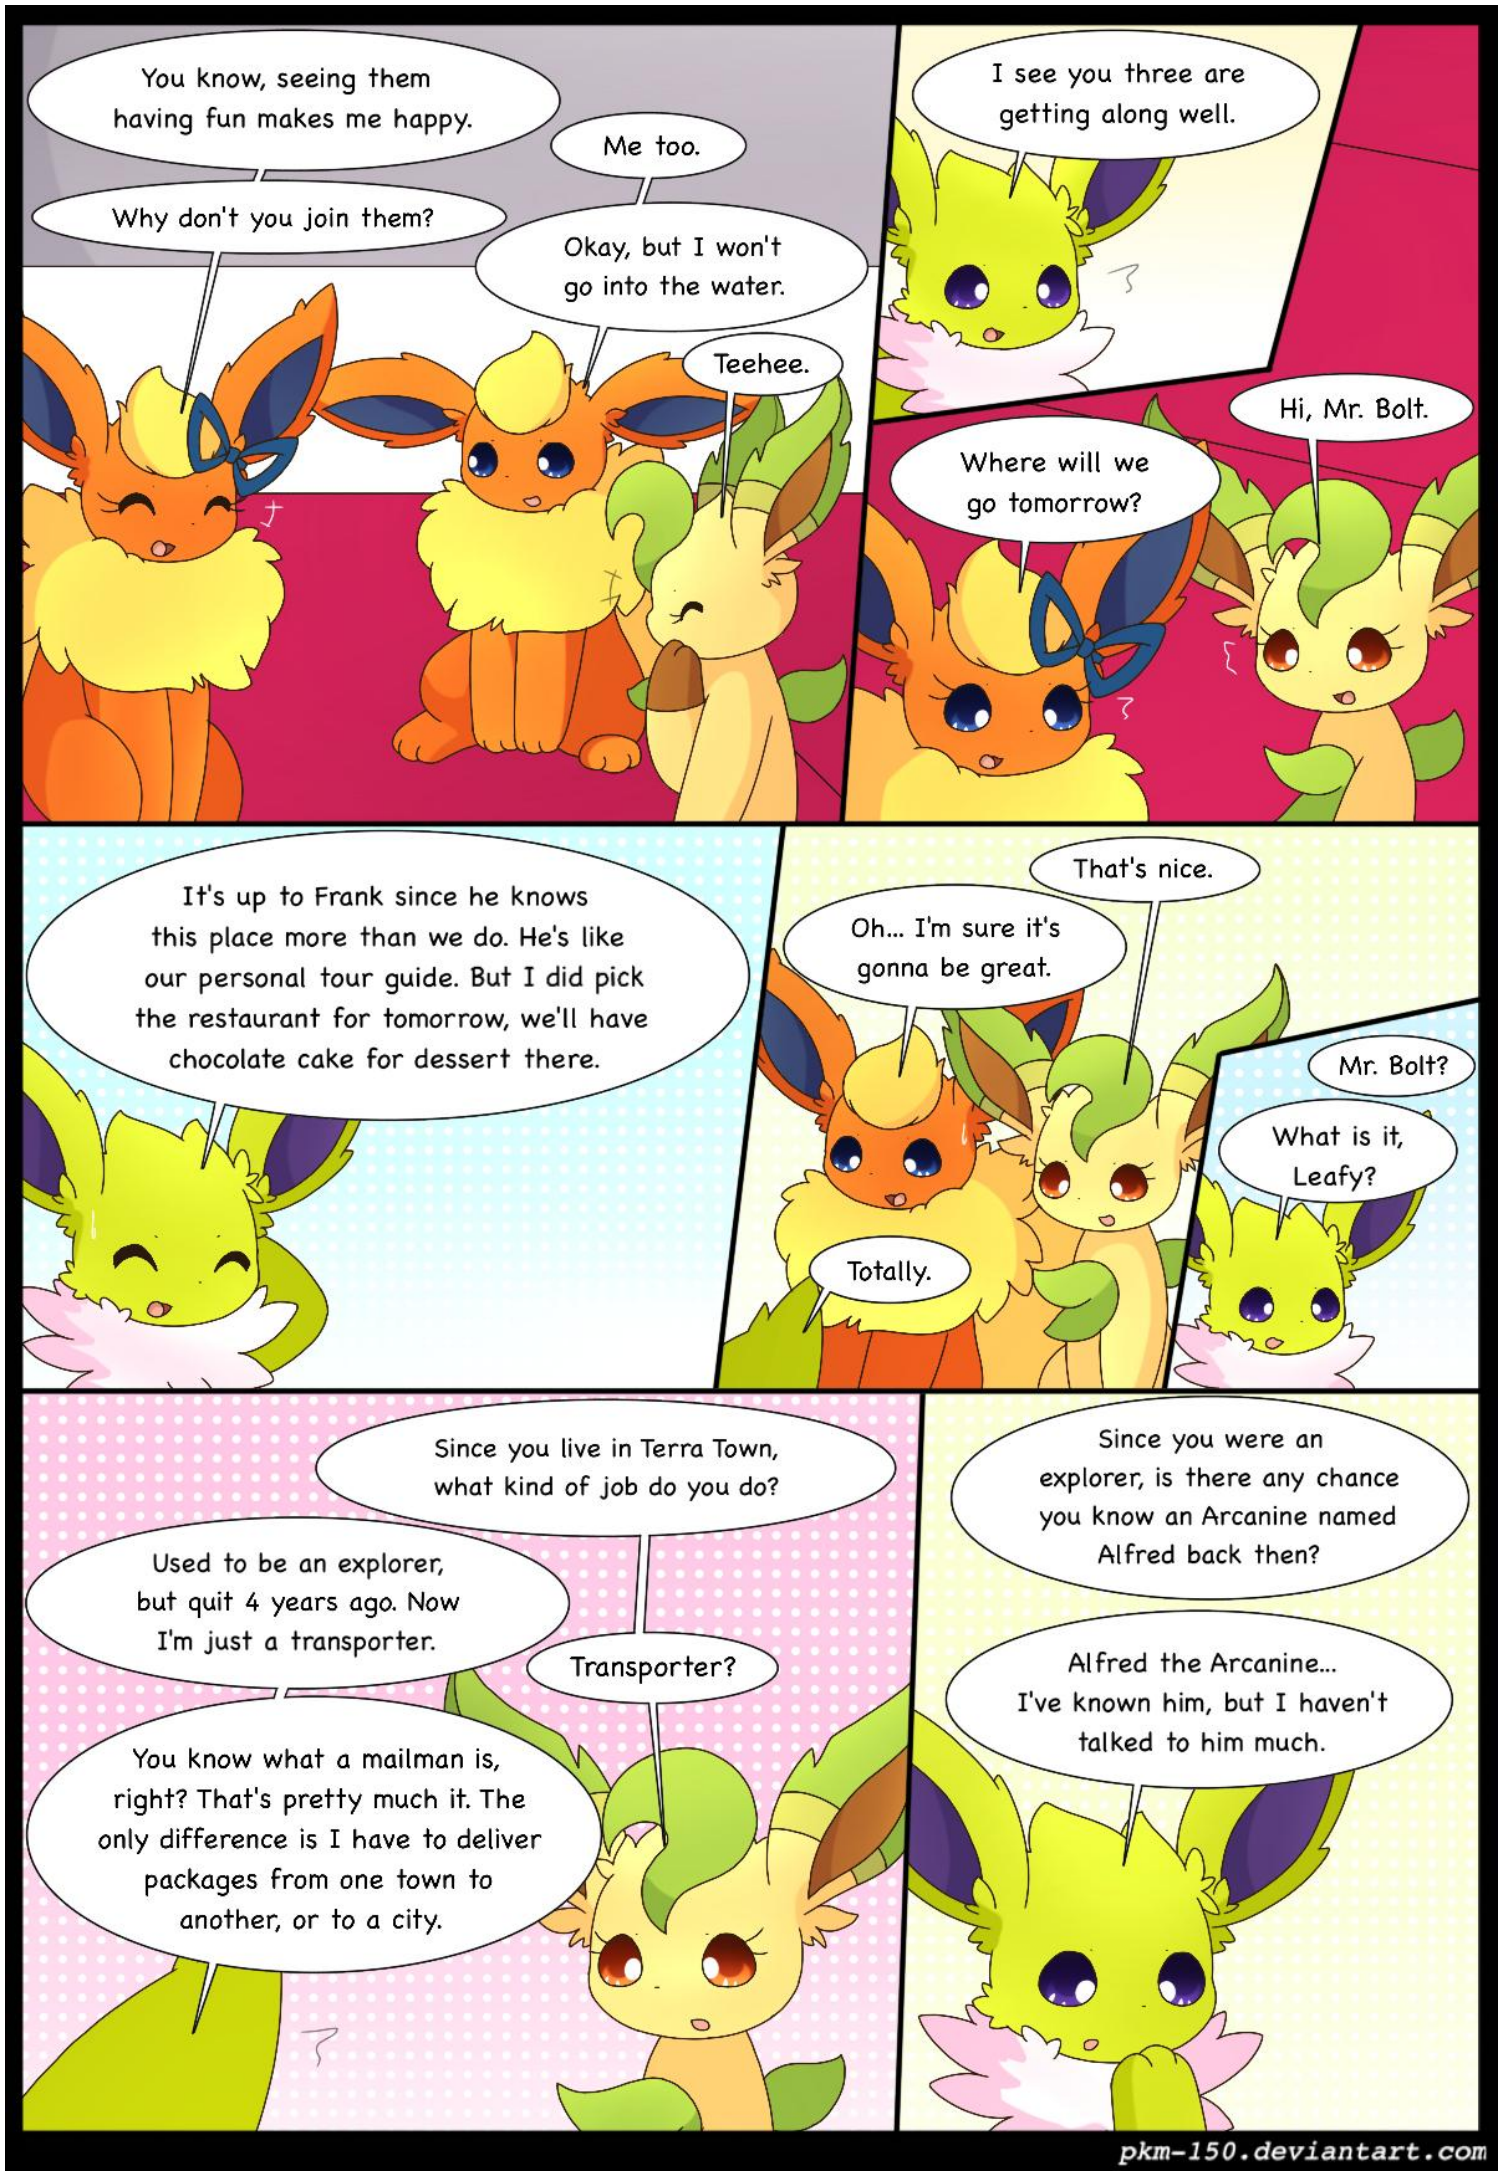
pkm-150.deviantart.com



pkm-150.deviantart.com

I suppose we're quite alike.
I guess so...
She is. Big bro said her behavior makes him want to hug her sometimes.
Your sister is very cute too.
That's cute. And Leaf, it would be nice if your sister be more open to everyone.
Sorry, if she caused any trouble.
No, no, it's fine. She didn't cause any problems.
Yay!
I'm gonna get you!
Just look at those two. I've never seen Axel this happy before.
I suppose so. He was always lonely at school.
Maybe he never had anyone to play with.
Mind if I ask you two something?
Sure.
What do you think of Axel? For me, he's a good kid. I've been with him since the day he was hatched.
He's nice and friendly.
For me, he sorta reminds me of young big bro.

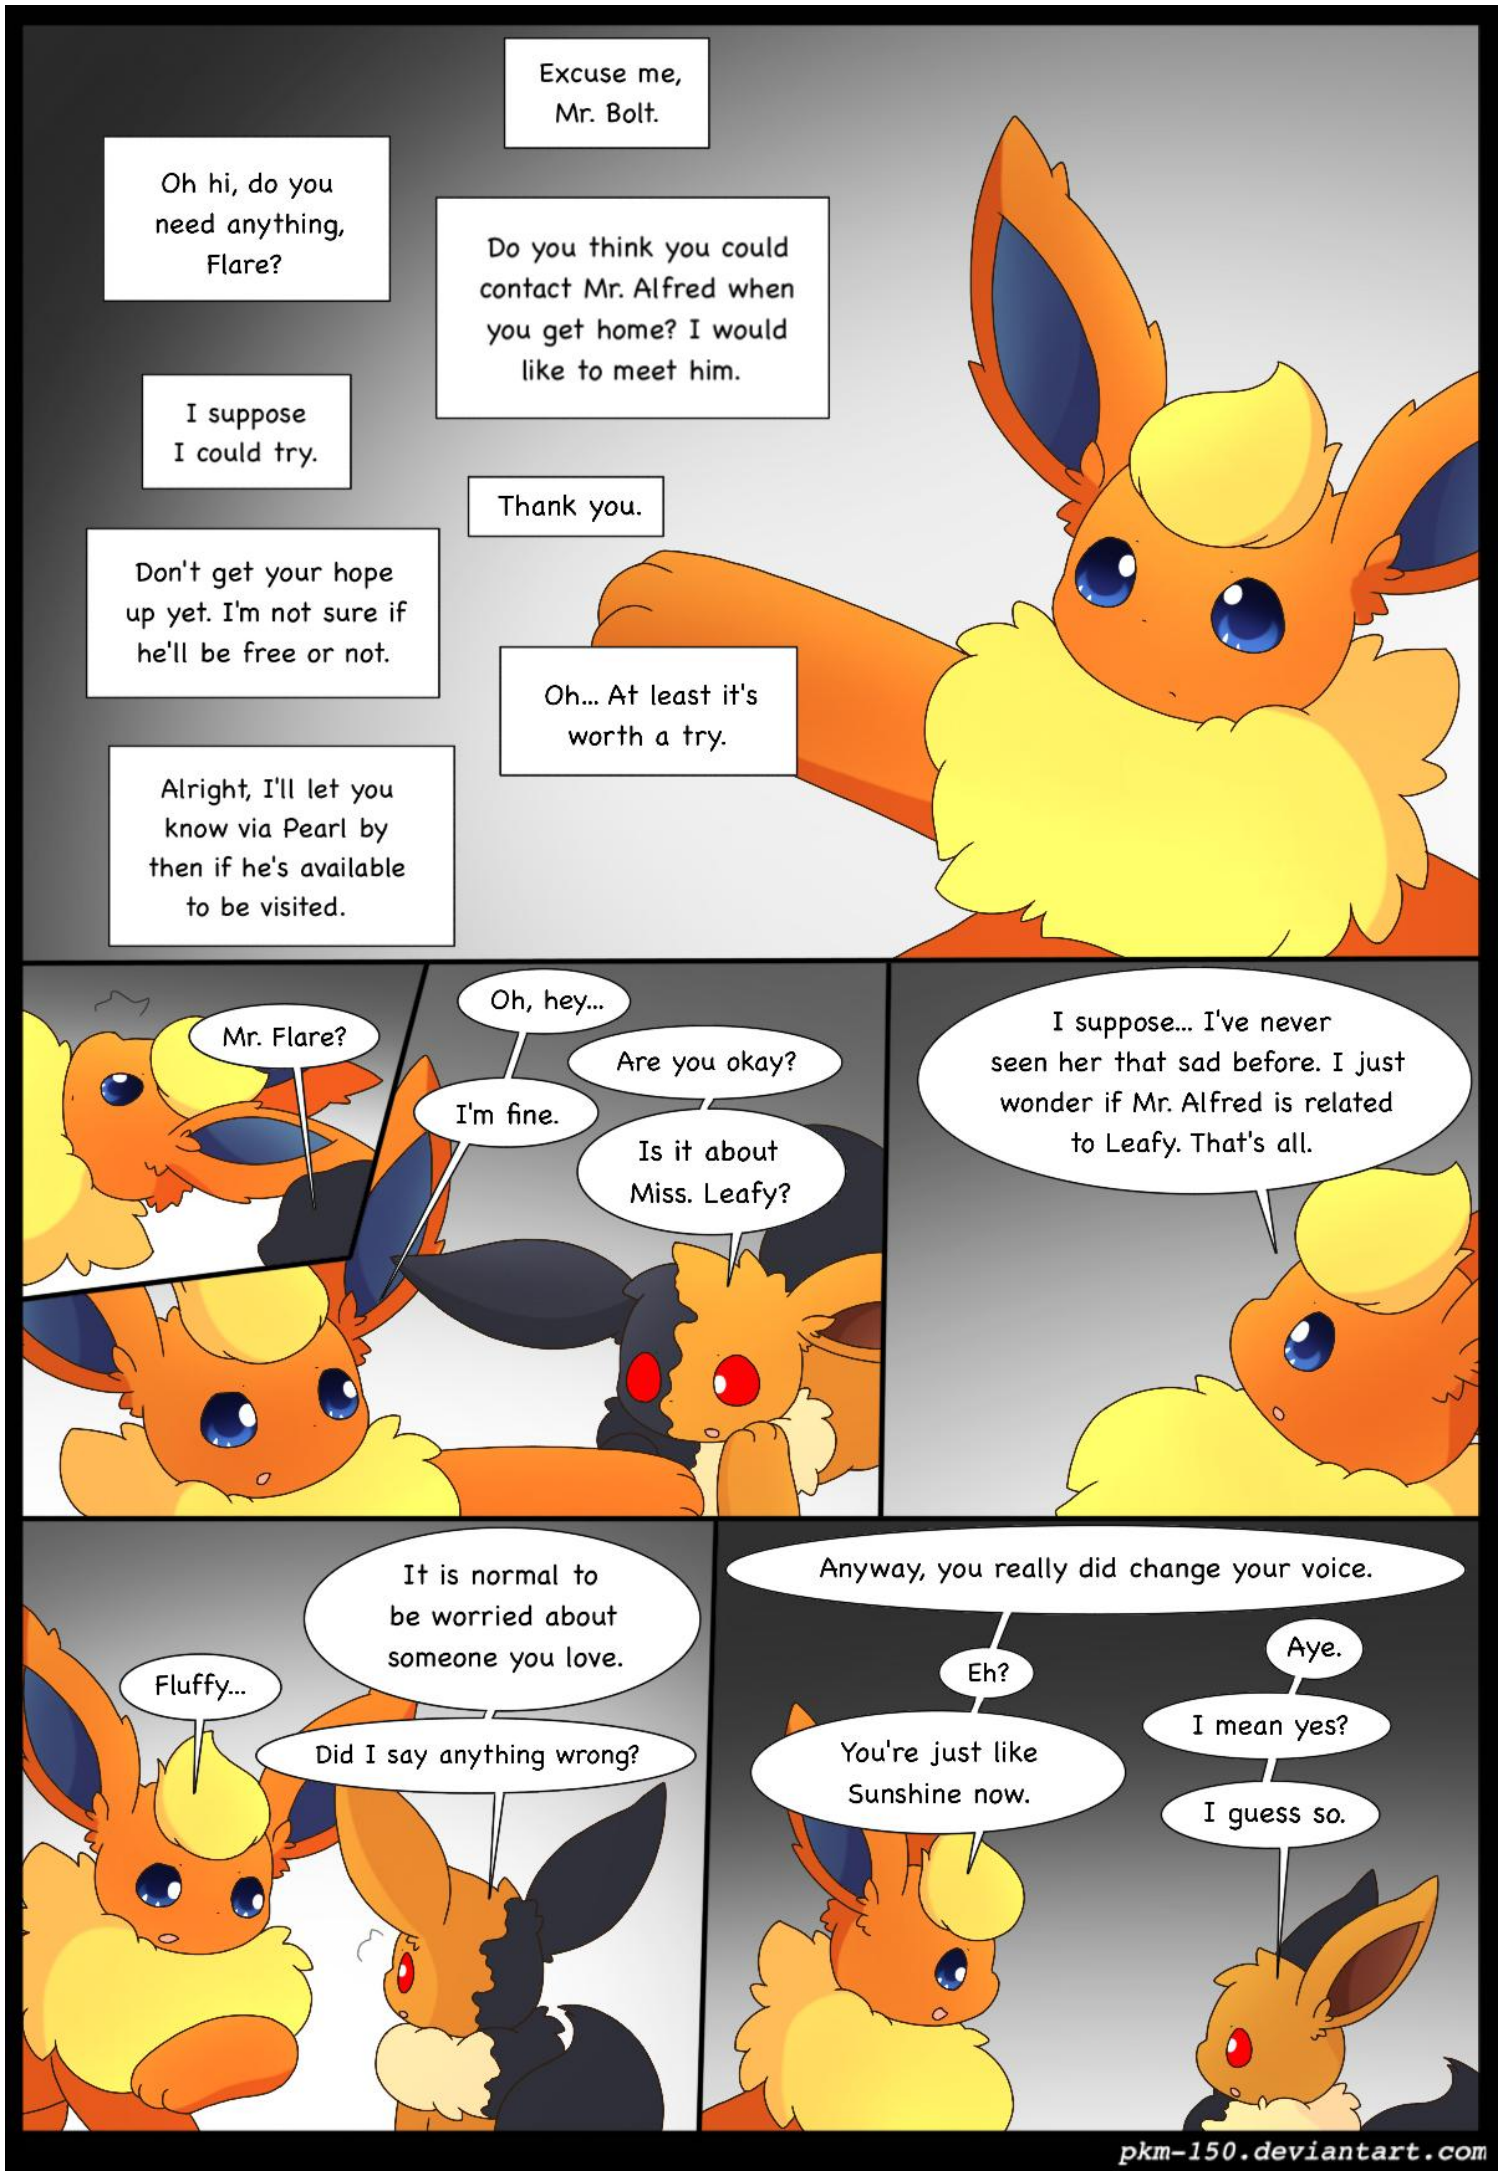
pkm-150.deviantart.com



You know, seeing them having fun makes me happy.
Me too.
Why don't you join them?
Okay, but I won't go into the water.
Teehee.
I see you three are getting along well.
Hi, Mr. Bolt.
Where will we go tomorrow?
It's up to Frank since he knows this place more than we do. He's like our personal tour guide. But I did pick the restaurant for tomorrow, we'll have chocolate cake for dessert there.
That's nice.
Oh... I'm sure it's gonna be great.
Totally.
Mr. Bolt?
What is it, Leafy?
Since you live in Terra Town, what kind of job do you do?
Used to be an explorer, but quit 4 years ago. Now I'm just a transporter.
Transporter?
You know what a mailman is, right? That's pretty much it. The only difference is I have to deliver packages from one town to another, or to a city.
Since you were an explorer, is there any chance you know an Arcanine named Alfred back then?
Alfred the Arcanine... I've known him, but I haven't talked to him much.

pkm-150.deviantart.com

He was charged with murder for killing an outlaw, and was put in prison 10 years ago.
Huh...? Why would he do that...?
Well, the one Alfred killed was a criminal who was responsible for the deaths of his close friends and family just because he almost captured him. Everyone who was close to him was slaughtered on that same day. The bodies of his close friends and wife were found, but his daughters' bodies weren't. This case was, however, quickly dropped not long after the incident. I kinda get why Alfred would go that far to kill him.
...
Let's just move on. He was released from prison 2 years ago. They let him keep his old job due to his loyalty to the town, but his rank would get revoked from Gold-Rank to Normal-Rank.
He quit being an Explorer as soon as he got that job back for some reason and worked as a Fire Lookout instead. Overall, he's doing fine nowadays if this is the answer you want.
Oh... That's good then...
Why are you so interested in knowing about his life anyways? Is he your uncle or something?
My mom knew him, that's all...
I see... I guess that's all you need to know then.
Leafy...? Are you okay?
I'm fine, I'm fine...
...
That night...
pkm-150.deviantart.com



Excuse me, Mr. Bolt.
Oh hi, do you need anything, Flare?
Do you think you could contact Mr. Alfred when you get home? I would like to meet him.
I suppose I could try.
Thank you.
Don't get your hope up yet. I'm not sure if he'll be free or not.
Oh... At least it's worth a try.
Alright, I'll let you know via Pearl by then if he's available to be visited.
Mr. Flare?
Oh, hey...
Are you okay?
I'm fine.
Is it about Miss. Leafy?
I suppose... I've never seen her that sad before. I just wonder if Mr. Alfred is related to Leafy. That's all.
Fluffy...
It is normal to be worried about someone you love.
Did I say anything wrong?
Anyway, you really did change your voice.
Eh?
You're just like Sunshine now.
Aye.
I mean yes?
I guess so.

pkm-150.deviantart.com

Anyway, Leafy wanted me to tell you she said hi.
Mr. Flare?
Yes?
Am I bad?
No.
But I made you do bad stuff to get chocolate.
It's normal to go crazy for food.
I do not think it is.
Well, the thing is you always let your obsession control you.
Obsession?
Yup, like you really want something and you won't stop until you get it.
Oh...
I am being controlled? What should I do? I do not want it to hurt you.
It can't hurt me, I think.
Sometimes you just need to know when to stop, that's all. The sooner you overcome it, the better it'll be for everyone.
Do you think I can do that?
Of course, I know you can.
Oh hey, you heard what Uncle-Bolt said, right?
Mr. Green?
Mr. Green? You sure have some tastes for naming.
I can have the chocolate cake? Can I? Can I?
Only if you behave.
I will, Mr. Flare.
Promise?
Promise!

pkm-150.deviantart.com

Hehe, so... Anything else you want to tell me?
Hmm...
Mr. Flare...?
Yes?
I have been wondering... Daddy was truly evil or was he not...? The only thing I remembered was him wanting us to hurt everyone...
I don't know. I don't even know who your father is...
I do not want to believe it, but... seeing what brothers did... What would have happened if I have never bonded to you...?
Would I just be a scary monster like you once called me...? Would I just do what most of my brothers did...? Hurting other creatures...?
I am scared... Scared of not only myself, but all of my brothers...
What if they found us and I am not strong enough to protect you...? What if...
Now, now, no need think about it too much.
But...
I know you can't escape from what you did or what they did, but what's important is now.
I think you're experiencing fear. You seemed to have developed emotions now.
I am sorry, Mr. Flare... I do not know what is happening to me...
Is it bad...?

No, it isn't. You become more and more living everyday. Though the rate wasn't that fast before. It's too fast now.
I...
You're not a mindless monster anymore. You're Fluffy. My little Fluffy.
...
Fluffy?
Are you alright?
Why are you frozen all of a sudden?
Come on, don't scare me like that.
This isn't funny, Fluffy.
pkm-150.deviantart.com

Fluffy, talk to me, please.
Can you hear me?
Say something. You're scaring me.
No response...
What do I do? What do I do?
Fluffy, snap out of it!
Snap. Out. Of. It.
Please...
Please talk to me...
Say something, please...
...What were those I am hearing...?
?
Why...? Why am I hearing this...? Who were those...?
pkm-150.deviantart.com

What is going on...?
Mr. Flare, you heard it too, right? Right...?
You can talk again!
Don't do that ever again.
You were frozen in time. Your eyes were flashing and changing color too.
You don't remember?
You're really acting weird...
Do what?
They were?
No...
Are you okay now? You were freaking me out for a second there.
Are you sure?
Phew...
I think so.
Aye.
Anyway, you said you heard something, correct? What did you hear?
Maybe some unwanted memories just rushed into your mind? Your eyes had a different color too.
It might be hard to believe, but it actually happened.
I do not know.
Huh?
No... It is our bond. It is 45% now.
That fast? Did it just jump from 42 to 45 out of the blue?
Maybe...?
You know... I know we just talked yesterday, but you seem to change a lot since then which is kinda unbelievable.
pkm-150.deviantart.com

42 hours 12 minutes 13 seconds since we last talked. It is not a day.
Sorry...
You don't have to be so specific.
I'm just saying. You can talk whenever you like. Anything else you remembered?
I am afraid I have told you everything I remembered, but I think there are still some things I do not know about myself.
You mean like secrets that only your precursors know?
Maybe?
Am I asking too much? If so, I can stop.
No, no, it is alright, Mr. Flare.
I should let you rest.
Are you going to be alright?
Aye.
Good night, Mr. Flare.
?
What was that...?
